### Constantine Public Schools Board of Education Announces "Effective" Evaluation for Superintendent Patrick Breen

**CONSTANTINE, MI** — The Constantine Public Schools Board of Education is pleased to announce that Superintendent Mr. Breen has earned an “Effective” rating on his annual performance evaluation, the highest rating available under the state’s evaluation system.

Throughout the evaluation process, the Board recognized several areas of strength in Mr. Breen’s leadership. Board members noted the stability he continues to bring to the district, his unwavering student-first approach to decision-making, and his growth in key areas of district leadership.

Also highlighted were Mr. Breen’s continued efforts to strengthen relationships with staff, families, and the broader community. His collaborative work with building-level administrators has fostered a strong, unified leadership team focused on supporting student success and advancing district goals.

“The board is thankful that Mr. Breen has chosen Constantine as the place to serve and lead,” the Board of Education shared in a statement. “He has become an important member of our Falcon family, and we value the care, dedication, and leadership he brings to our district.”

The Board looks forward to continuing to work alongside Mr. Breen as the district builds on its successes and pursues new opportunities for growth and achievement. Together, we remain committed to creating opportunities for students to learn, grow and succeed while strengthening the connection between our schools and the community we proudly serve.
