

Dear Parents,

To register your child with Bærum Kommune, we are required to submit the Norwegian personal identity number (*fødselsnummer/personnummer*) for both your child and their parents/guardians. We also require your family's home address to complete the registration process.

Please complete the form below and return it to your child's class teacher at your earliest convenience.

If you or your child do not have a Norwegian personal identity number (for example, due to diplomatic status), please provide your date of birth instead.

Thank you for your cooperation.

Kind regards,

Lena Hammerø
Pre-School Leader

If you have more than one child in the Pre-School, please provide each child's personal number.
