Sponsor Participation Agreement (4-year)
SY 2027 – 2030

Sponsor Name: **Grants Pass SD**
Agreement #: **1707001**

This agreement is between the Oregon Department of Education (ODE) and the Local Educational Agency (SPONSOR) named above. It covers the period of four school years starting on July 1, 2026, and ending on June 30, 2030. The Sponsor's schools may stop participating in the Community Eligibility Provision (CEP) during the four-year cycle by notifying ODE no later than June 30 of the school year prior to when they want to return to traditional counting and claiming procedures. Requirements set forth in 7 CFR 245.9(j) would apply.

The undersigned Sponsor official has the authority to enter this Agreement to participate in the CEP on behalf of all schools in the district or some of the schools in the district and elects to receive payments under the CEP in lieu of payments otherwise available based on free and reduced-price lunch applications.

A. It is mutually agreed between ODE and the SPONSOR that:

1. The SPONSOR agrees to serve all children in the participating schools breakfasts and lunches at no charge or four successive school years.
2. The SPONSOR must have a percentage of enrolled students who were Identified Students, per the SPONSOR actual data as of April 1, 2026, that is greater than or equal to 25 percent.
3. The SPONSOR agrees to pay, from sources other than federal funds, the costs of serving breakfast and lunches that are in excess of the federal assistance received, including federal cash reimbursement.
4. The SPONSOR agrees not to collect free and reduced-price meal applications that will be used for meal price determination from households in participating schools during the period of participation in CEP.
5. The SPONSOR agrees to maintain a total count of breakfasts and lunches served at each point of service daily.

6. The SPONSOR agrees to abide by all requirements for applying and administering the CEP as stated in section 11(a)(1) of the Richard B. Russell National School Lunch Act, as amended by section 104(a) of the Healthy, Hunger Free Kids Act of 2010 (42 U.S.C. 1759a(a)(1)).
7. The SPONSOR agrees to retain all documentation used in development of the identified student percentage. Local Educational Agencies must ensure records are maintained, including data used to calculate the identified student percentage, annual selection of the identified student percentage, total number of breakfasts and lunches served daily, percentages used to claim meal reimbursement and non-Federal funding sources used to cover any excess meal costs. In addition, the Sponsor agrees to retain required documentation for a period of three years after submission of the final Claim for Reimbursement for the last fiscal year of the Sponsor's participation in the CEP.
