

For Students Entering Grade 1

Why is Summer Reading beneficial for your rising 1st grader?

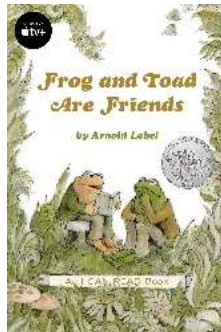

- Helps the child to learn new vocabulary and concepts
- Presents an opportunity to develop a love for books
- Reinforces language skills
- Prepares students for the next school year
- Provides an opportunity for one to share stories with family and friends

Incoming first graders will be learning about authors and various genres during the year. You are required to read six books this summer. *Please note that many of these books may be above your child's reading level. Therefore, you can read these books aloud to your child.

Fill out the Response Sheet and return it the first week of school.
