DIVERSE STUDENT POPULATION

Moline-Coal Valley School District is the largest school district in Northwest Illinois and the 26th largest of over 850 districts across the state. It reflects a rich heritage and evolving community, serving a diverse student population with a wide range of cultural, linguistic, and socioeconomic backgrounds.

Families in Moline-Coal Valley benefit from a close-knit community that values education, workforce readiness, and opportunity for all. Together, these characteristics create a dynamic learning environment grounded in tradition, while focused on preparing students for a globally-connected future.

OUR PURPOSE

We are here to ignite a love for learning, build confidence, and empower every student to dream big, overcome challenges, and shape their own future—with the support of a strong and caring community.

OUR COMMITMENTS

- Foster Student Growth
- Create a Safe and Welcoming Space
- Innovate for Learning
- Strengthen Community Partnerships
- Cultivate Resilience

Maroons Show Up encourages students to be present every day and to fully engage — whether in school, in extracurriculars, at home, or in the community.

Rigorous Academic Programs

Our educators are committed to creating engaging, supportive learning environments for every student.

Over the past several years, Moline-Coal Valley ELA, Math, and Science proficiency rates have grown steadily, achieving above-average results.

The district has also demonstrated resilience in closing achievement gaps, with underrepresented and at-risk student populations showing improvement across multiple subject areas.

Moline High School produces prepared, well-rounded students, receiving top tier academic and athletic honors, including Presidential Awards, Illinois State Scholar, National Merit Scholar, All Scholastic and All-Conference Athlete, many of whom go on to play at the collegiate level.

CAREER PATHWAYS

At Moline High School, we envision a future where every student is a confident, skilled, and highly sought-after professional who contributes meaningfully to the region's workforce.

Through strategic, robust partnerships with local businesses and community colleges, such as Black Hawk College, we offer 10 career pathways that create dynamic learning environments that bridge the gap between education and industry.

By enrolling in advanced placement and dual credit courses, students have the opportunity to earn many credits towards an Associates degree.

Exceptional Extracurriculars

Students are encouraged to explore their interests and develop leadership skills through a wide variety of programs and activities.

As a member of the Western Big 6 Conference, we offer a broad sports program including Football, Volleyball, Golf, Cross Country, Soccer, Wrestling, Basketball, Bowling, Swimming, Track, Baseball, Softball, Tennis, Bass Fishing, Cheerleading, Chess, Debate, and Scholastic Bowl.

Our Fine Arts program proudly boasts multiple band, orchestra, choir, and drama opportunities for students. We have various clubs for students to network, share their passions, and to take their learning beyond the classroom.

The Moline-Coal Valley School District takes pride in its premier facilities celebrating fine arts, athletics, and all of our students' passions.

Setting the P.A.C.E.

PEOPLE | ACHIEVEMENT | COMMUNITY | ENVIRONMENT

Dr. Rachel Savage, Superintendent leads the district in achieving the strategic goals that are defined annually through a collaborative process involving feedback from students, staff, families, and the Board of Education.

POSITIVE ACHIEVEMENT TRENDS FOR ALL LEARNERS

Relative to peers, Moline-Coal Valley maintains a diverse and balanced demographic profile and achieves academic outcomes comparable to or exceeding those of demographically similar districts. When comparing low income student performance, Moline's proficiency metrics exceeds expected levels given its demographic composition — signaling effective intervention strategies and systems of support.

STRONG FISCAL STEWARDSHIP

For the past several years, the district has sustained responsible financial management, keeping instructional spending per pupil near or below peer averages of demographically similar districts, while still achieving above-average academic results. Over the past several consecutive reporting years, Moline-Coal Valley has remained competitive or improved relative to eight comparison districts across nearly every major indicator — academic, demographic, and financial.

ILLINOIS 5 ESSENTIALS

Guided by the Illinois 5Essentials Framework, Moline-Coal Valley Schools are building strong systems where ALL students can succeed. We believe that when a strong organization, meaningful relationships, and high-quality instruction come together, great outcomes follow. This commitment drives our work and ensures every student has the opportunity to reach their fullest potential.
