4105A Pregnancy Workplace Accommodations for Employees and Applicants

The District complies with state and federal law prohibiting pregnancy discrimination. The District will provide reasonable accommodations to known limitations related to pregnancy, childbirth, or related medical conditions of a qualified employee absent an undue hardship. The District treats pregnancy or related conditions as any other temporary medical condition for all job-related purposes. For purposes of this policy, the term “employee” includes an applicant for employment where relevant.

For an employee who requires a reasonable accommodation due to a known limitation related to pregnancy, childbirth, or related medical conditions, the employee or the employee’s representative must make a proper District official (as identified in Pregnant Workers Fairness Act (“PWFA”) regulations) aware of the limitation.

Upon receipt of an accommodation request, the District will begin the interactive process with the employee to consider whether the employee is qualified under the PWFA and, if so, reasonable accommodation options consistent with the PWFA that do not cause undue hardship.

Determining whether an employee is qualified may be a two-step inquiry. First, the District will determine whether the employee can perform the essential job functions of the employee’s position with or without a reasonable accommodation. If so, the employee is qualified. If not, then the District will consider the employee to be qualified if: (1) any inability to perform an essential job function(s) is for a temporary period, (2) the essential function(s) could be performed in the near future, and (3) the inability to perform the essential function(s) can be reasonably accommodated without an undue hardship.

Reasonable accommodation requests will not be granted if they cause an undue hardship, as defined by law. The District may require medical documentation supporting the requested accommodation where allowed by law because the information is necessary for assessing the accommodation request. Medical information will be kept confidential.

After considering any relevant medical information, essential job functions, and the employee’s requested accommodations, the District will, as appropriate, implement reasonable accommodations for a qualified employee that do not cause an undue hardship. The District is not obligated to adopt the employee’s specific accommodation request. The District may engage or re-engage in the interactive process, as necessary.

A reasonable accommodation may include a voluntary leave of absence. If an employee has insufficient leave or insufficient accrued employment time to qualify for leave, or if the District does not maintain a leave policy applicable to the employee, the District will treat any pregnancy or related conditions as a justification for a voluntary leave of absence without pay for a reasonable period of time, at the conclusion of which the employee will be reinstated to the status held when the leave began or to a comparable position without

decrease in rate of compensation or loss of promotional opportunities, or any other right or privilege of employment.

An employee who believes he/she has been discriminated against under this Policy must promptly file a complaint using the Employment Complaint Procedure in Policy 4104.
