4224 *Personnel Files and Payroll Information*

A. Contents

The District will maintain accurate and up-to-date personnel files. A personnel file will include the physical or electronic records kept by the District that identify an employee, to the extent that the record is used or has been used for, or may affect or be used for, that employee's qualifications for employment, hire, promotion, transfer, compensation, or discipline. Personnel files may be electronically stored, in whole or in part, by the District in a secure manner.

The District will not suppress or remove information about unprofessional conduct from a personnel file as required by Revised School Code Section 1230b, regardless of any contrary term in any applicable collective bargaining agreement, individual employment contract, resignation agreement, severance agreement, or other agreement.

B. Payroll Records

The District will record and maintain the following payroll information for all employees:

1. name and social security number;
2. address, including zip code;
3. birth date;
4. sex;
5. occupation;
6. time and day when work week begins;
7. hours worked each day and work week;
8. hourly pay rate;
9. total daily or weekly straight-time earnings;
10. total overtime earnings for each work week;
11. all additions to or deductions from wages;
12. total wages paid each pay period; and
13. date of payment and pay period covered by the payment.

C. Employee Review

Employees may request to review their personnel file at a reasonable and mutually agreed upon time, with or without union representation. A central office employee will be present during the review. Employees requesting a copy of the personnel file may be charged a fee.

If there is a disagreement with information contained in a personnel file, the District and the employee may mutually agree to remove or correct that information, unless it concerns substantiated unprofessional conduct. If the District does not agree to remove or amend the information, the employee may submit a written statement explaining the employee's position (not exceeding 5 sheets of 8-1/2" x 11" paper). The written statement will be included if the information is disclosed to a third party.

D. Third Party Disclosure

Personnel file contents may be subject to disclosure under the Freedom of Information Act (FOIA). Certain documents in a personnel file may be subject to mandatory or permissible disclosure exemptions under FOIA. Disclosure of other personnel file information may be specifically prohibited or limited by state and federal statute. Before releasing information in response to a FOIA request for documents within an employee's personnel file, the District will review those documents to identify permissible and mandated disclosure exemptions.

Criminal history checks, unprofessional conduct checks, drug test results, confidential personal references, medical information, and other confidential information will be maintained in a separate, secure file.

Absent an employee's written consent or authorization, the District will not release an employee's discipline records to a third party, pursuant to a FOIA request or otherwise, unless the District has provided the employee with notice via first class mail to the employee's last known address, or another consented form of communication, which will be mailed on or before the day on which the information is released. Discipline more than 4 years old will not be disclosed unless the employee has executed a written release to disclose the records or as otherwise permitted by law, including Revised School Code Section 1230b.
