
Agua Fria Online - Student and Parent/Guardian Agreement

This agreement form is a requirement for online enrollment. Students are responsible to all of the following requirements.

Check the following boxes to show agreement:

- ☐ Student agrees to follow the pacing guide for courses assigned, staying on track, and completing courses within the timeline established by Agua Fria Online.
 - Students shall demonstrate sufficient academic achievement.
 - Failure to do so may result in a student being placed on academic probation and/or returned to their zoned campus.
 - Students shall take notes in each course. Notes may be used during final exams.
 - Course completion includes the final exam.
- ☐ Successful students login and complete course work on a daily basis during the school week.
 - To excuse an absence, a parent/guardian may email or call Terry Hueitt at thueitt@aguafria.org or 623.932.7140.
 - Failure to log in without excused absences for ten consecutive school days shall result in a withdrawal from Agua Fria Online.
- ☐ Eligible Students will participate in Arizona State testing. State testing is done in-person on the student's zoned campus. Students' continued enrollment online is contingent on state testing participation.
- ☐ The AFUHSD Student Code of Conduct applies in full for all non-traditional students, including AFO students, and consequences shall be administered according to the guidelines in the Student Rights and Responsibilities Handbook. To review the handbook, click on the following link: [Student Handbook, Rights & Responsibilities](#). All AFUHSD students are required to wear school identification cards while on campus.
 - Students caught plagiarizing, or other cheating will have that course put on hold. They will be able to resume that course once they have completed a citing sources lesson. If the student is caught plagiarizing in the same course a second time, that course will be closed. The student make take the course in person on campus.
 - Abuse of AI tools and other unapproved applications may lead to redirection, reassignment or course closure.
- ☐ Online students will complete an Education and Career Action Plan (ECAP). These activities are required for graduation.

- ☐ Online students shall be on track to graduate with their class. The table below shows how many credits a student must have earned by the start of a semester in order to be on track to graduate with their class.

- Students deficient in credits will be on academic probation. If the student has not earned enough credits by the end of the semester, they shall enroll in their zoned school for the following semester.

	1st Semester	2nd Semester
Sophomore	4	7
Junior	10	13
Senior	16	19

- ☐ Online courses are classified by the NCAA as non-traditional coursework. Student athletes and potential collegiate athletes need to be aware of the NCAA eligibility requirements if they intend to participate in any Division I, II, III or NAIA athletic program. Please contact your school counselor, athletic coach, athletic director or the [NCAA website](#) for specific details.

- ☐ Students are provided with an Agua Fria High School District device - a Chromebook.

Students must complete all coursework and exams on their district issued device.

- Students are responsible for the device. The cost of lost or damaged devices will be added to the student's account.
- Students are responsible for following district rules and regulations regarding devices as outlined in the [student handbook](#).
- We suggest all students purchase a protection plan.

- ☐ Students other than seniors must take 6 courses per semester while attending Agua Fria Online, unless they are also attending WestMec or another Agua Fria High School District school in addition to Agua Fria Online.

Communication can be a challenge. AFO communication goes to student and parent email addresses. Students will also see announcements and reminders on their Edgenuity dashboard. Students are expected to check their school email and Edgenuity announcements on a regular basis.
