

Series 4000: District Employment

4500 Administrators/Supervisors

4506 Discipline

The Superintendent or designee may discipline Administrators, Supervisors, or Directors for misconduct, violations of contract, Policy, or law, or other inappropriate behavior. Off-duty conduct may result in discipline if it adversely impacts the District and is not otherwise a legally protected activity. This Policy does not cover termination of an Administrator, Supervisor, or Director, which is addressed in Policy 4507.

Before discipline is imposed, the Administrator, Supervisor, or Director will be provided an opportunity to respond to the allegation(s).

An Administrator, Supervisor, or Director governed by a collective bargaining agreement or individual employment contract may be disciplined consistent with applicable procedures and standards in that agreement. An employee who is subject to an investigatory interview that may result in discipline or who reasonably believes an investigatory interview may result in discipline may bring a representative consistent with Policy 4108.

If the Superintendent or designee concludes, by a preponderance of the evidence, that the conduct in question has been substantiated and that discipline is warranted, the Superintendent or designee may discipline the employee so long as the basis for the discipline follows the standard(s) identified in the employee's applicable collective bargaining agreement or individual employment contract. If the employee is not subject to a collective bargaining agreement or individual employment contract, the Superintendent or designee may implement discipline for any lawful reason. The disciplinary action may be considered in the employee's performance evaluation. Written discipline will be placed in the employee's personnel file.

A suspension without pay may be imposed as a disciplinary consequence, consistent with the Fair Labor Standards Act, for infractions of safety rules of major significance or infractions of workplace conduct rules, such as rules prohibiting unlawful harassment, workplace violence, drug or alcohol use, or for infractions of state or federal laws. Disciplinary deductions may only be made in full-day increments and must be imposed pursuant to a written Policy applicable to all employees.

Evidence of substantiated unprofessional conduct cannot be suppressed or removed from a personnel file consistent with Revised School Code Section 1230b.

The Teachers' Tenure Act shall apply if an Administrator's tenure rights are implicated by the disciplinary action.
