Student Experience

Students will be provided with no more than two (2) classes.

Students must attend classes daily. Students with multiple absences will be dropped from the program. Students are required to bring their fully charged district-issued Chromebooks, notebooks, and a writing utensil each day.

Students will be able to work independently on both their teacher-assigned work and their Edgenuity course outside of the regular scheduled day. Edgenuity is a self-paced online application that will track student progress and mastery of a particular course. Students will have the ability to work on their Edgenuity course at their availability at any time (day/night/weekday/weekend) throughout the program duration. All assessments must be completed in person during the school day.

Teachers will provide instruction and assistance with Edgenuity and Google Classroom content, as well as provide tutoring and pacing, as needed.

How Students Complete/Pass a Summer School Course

- 1) Students must complete 100% of the assigned course content with a passing score.
- +
- 2) Successful completion of teacher-issued assignments
