****New Family Capital Fee**

A "new family" is defined as one who does not have a child currently enrolled in this school. The New Family Capital Fee is to be paid when a new family enrolls its child(ren) and is not to be confused with the Enrollment Deposit, which is applied toward the total annual tuition. The New Family Capital Fee is a one-time-only charge and is independent of the number of children enrolled in the School. The New Family Capital Fee covers maintenance and improvement of our facilities, including work such as painting, landscaping, carpet replacement, and classroom, playground, and field repairs.

Ravenscroft alumni families are exempt from the New Family Capital Fee.

TUITION SCHEDULE & FEE PAYMENT SCHEDULES

Pursuant to Ravenscroft School's Enrollment Agreement, Ravenscroft School assesses tuition for the entire academic year. The school obligates for salaries, tests, and maintenance annually. Therefore, as further outlined in the Enrollment Agreement, parents have the financial obligation for full tuition whether or not their student completes the school year.

Ravenscroft has made provision for a Tuition Refund Plan, which is described in Zurich's leaflet. This plan is provided at a nominal cost to all parents who want to protect their financial interests for personal reasons. **Families electing a monthly payment plan for tuition payments must enroll in the Tuition Refund Plan.**

Students will not be permitted to enter class until tuition obligations are satisfied. Tuition payment is made by execution of one of the following options:
