REFER a family member or friend TODAY!

Happy June WAY Researchers and Families,

WAY to GO!! Congrats to our 2026 Graduation class!! We've graduated 155 researchers in the last 5 years which is a huge accomplishment! Who's next?!

Remember, we are still in-school until June 26th. Plenty of time to still get some credit! We will be taking some field trips this month... CJ Barrymore's, Toledo Zoo and Cedar Point. Please contact your Mentor to see if you qualify.

If you have not re-enrolled your student for the 2026-2027 school year, please do so ASAP! Open enrollment is currently underway, and we are now accepting new applications. Refer a family member or friend today.

Summer is almost here but not yet!! Come-in to the building to see us and get some credit! See you soon!

Yours in Education,

Cameron Nichols, Director  
WAY - Detroit
