3. Testing Certification

Jackson County School District 6 certifies that it is in compliance with all plan components, including any and all testing required by any part of the plan.

4. Testing Results

Jackson County School District 6 is current with all required testing as of the date of this document. Test results can be found on the district's website at: <https://www.district6.org/departments/facilities-maintenance/health-site-reports-hass>. Jackson County School District 6 will also use current district email lists or communications programs to provide final test results to staff, students, parents of minor students, and other members of their community. This includes providing actual final test results or providing direct access to final test results through links in the communications. Please contact Dale Giovannetti to be added to current district email lists and programs. Specific test results can be found as follows:

- Lead in Water: <https://www.district6.org/departments/facilities-maintenance/health-site-reports-hass>
- Radon: <https://www.district6.org/departments/facilities-maintenance/health-site-reports-hass>

5. Website Link Maintenance

Jackson County School District 6 certifies that all website links for plan information and test results are current and functional.
