

# THE WILDCAT WEEKLY

## A Note from Dr. G - The 2026 Moving Up Edition

What a year it has been. From the first day of school to the last, our students, families, and staff brought their best every single day. The Moving Up Ceremonies at Hawthorne, Columbus, and Westlake Middle School were a joy to be part of, full of pride, laughter, and well-earned celebration.

As we head into summer, we carry all of it with us. Rest up, recharge, and enjoy every minute. Have a wonderful summer, Wildcats. We'll see you in September!
