

North Fork Local District Vision and Mission Statement

Reading Achievement Plan

To proficiency and beyond...

Vision

North Fork Local Schools envisions a community of learners, rich in reading, writing, speaking and listening skills. We will provide the foundation for a love of reading and empower our students to become intellectual 21st-century citizens.

Mission

- Educators will have print-rich materials, resources, and technology across content areas.

- Educators will be accountable for high quality, explicit, and intentional teaching practices driven by effective assessments.

- Instruction and strategies will be student-centered and developmentally appropriate.

- Relevance and rigor will be key factors in implementation of Ohio's Academic Content Standards.
