RE: Thought Exchange Renewal

The district uses a software program called Thought Exchange to collect feedback and encourage participation from students, staff, and patrons. This software license is up for renewal, and the new option amount exceeds the Board policy limit of $20,000. Therefore, we ask for a resolution to renew the Thought Exchange software program under option two on the enclosed quote for $24,000.

Agreement
Upon verbal, email, or written acceptance of this quote we will prepare an agreement that will outline the Services you are purchasing and the price to be paid.

Thoughtexchange Services are provided on an annual subscription basis. Your subscription to our Services is automatically renewed annually for a year term at the Annual Price, subject to a 5% annual increase, unless you provide us with notice of cancellation within 60 days of the annual anniversary of your agreement.

We will provide you with minimum 120 days' notice of any price increases.

Terms
Thoughtexchange is a hosted Software-as-a-Service (SaaS) platform. Thoughtexchange allows Exchange Leaders to engage with Participants in structured online interactions. We call each of these interactions an Exchange. Each Exchange is created by an "Exchange Leader" designated by you, our customer. A "Participant" is any other person who participates in the Exchange.

Exchange Leaders and Participants can access Thoughtexchange via most popular web browsers on standard desktop and mobile platforms (see https://get.thoughtexchange.help for a list of supported platforms). A Thoughtexchange iOS app is also available from the Apple App Store.

Privacy and Security
Thoughtexchange's SaaS platform is SOC II compliant.

Base Features and Services
· Exchange Leader subscriptions: Each holder of an Exchange Leader account can create their own Exchanges and have access to special Thoughtexchange features.
· Unlimited Exchanges: An Exchange Leader can create an unlimited number of Exchanges.
· Unlimited Participants per Exchange: Exchanges have no limit on the number of participants, although Exchanges including more than a few thousand participants are best served with Thoughtexchange assistance.
· Analytics and Data Visualization: You have access to analytics and data visualization that is automatically generated by the software.
· Multilingual: The Thoughtexchange user interface runs natively in either English, French or Spanish. Exchanges can be created where Participants can participate in the same Exchange in any language that Google Translate supports.
· Hosting: We provide all hosting of all runtime software, data, and data backups.
· Software Upgrades: We provide periodic software upgrades with new functionality for Participants and Exchange Leaders. We provide release notes to customers and Exchange Leaders informing them of what has changed with each release.
· 24x7 System Availability: The online services are available 24 hours a day, 7 days a week except in the case of planned system maintenance outages or unplanned outages. In either case, we will make reasonable attempts to minimize the number and duration of these outages.
· Email and phone support
· Online access to help and resources

Additional Features
At any time you can request more Thoughtexchange Features by speaking with your Account Manager. We can provide you with a quote for the new Features and can create an agreement document to add these Features at the agreed price.

Example additional features are:
Single sign-on (SSO)
Participant grouping
Additional Leaders
