RE: Sedgwick County Mitigation Plan

We are asking for the attached resolution to finalize the mitigation plan with Sedgwick County. This is a regional plan that 261 took part in back around 2018 and identified two action items for the District (see attached). The master plan has already been accepted and approved by FEMA. Each plan partner needs to adopt the plan as it applies to Haysville USD 261. The District is not obligate you to anything beyond the efforts listed in your action items. It makes the District eligible to receive future hazard mitigation grants to pay for safe rooms.

Attach:

Resolution # 6-21: **Adopting the Kansas Homeland Security Region G Hazard Mitigation Plan**

Whereas, Haysville USD 261 recognizes the threat that natural hazards pose to people and property within our community; and

Whereas, undertaking hazard mitigation actions will reduce the potential for harm to people and property from future hazard occurrences; and

Whereas, the U.S. Congress passed the Disaster Mitigation Act of 2000 ("Disaster Mitigation Act") emphasizing the need for pre-disaster mitigation of potential hazards;

Whereas, the Disaster Mitigation Act made available hazard mitigation grants to state and local governments; and

Whereas, an adopted Hazard Mitigation Plan is required as a condition of future funding for mitigation projects under multiple Federal Emergency Management Agency (FEMA) pre- and post-disaster mitigation grant programs; and

Whereas, Haysville USD 261 fully participated in the FEMA prescribed mitigation planning process to prepare this Multi-Hazard Mitigation Plan; and

Whereas, the Kansas Division of Emergency Management and FEMA Region VII officials have reviewed the Kansas Homeland Security Region G Hazard Mitigation Plan, and approved it contingent upon this official adoption of the participating governing body; and

Whereas, Haysville USD 261 desires to comply with the requirements of the Disaster Mitigation Act and to augment its emergency planning efforts by formally adopting the Kansas Homeland Security Region G Hazard Mitigation Plan; and

Whereas, adoption by the governing body for Haysville USD 261 demonstrates the jurisdictions' commitment to fulfilling the mitigation goals and objectives outlined in this plan, and

Whereas, adoption of this legitimizes the plan and authorizes responsible agencies to carry out their responsibilities under the plan.

Now, therefore, be it resolved, that Haysville USD 261 adopts the Kansas Homeland Security Region G Hazard Mitigation Plan as an official plan; and

Be it further resolved, Haysville USD 261 will submit this Adoption Resolution to the Kansas Division of Emergency Management and FEMA Region VII officials to enable the plan's final approval.

_____:Date _____: Approved by

_____: Title

Action Identification	Description	Hazard Addressed	Responsible Party	Overall Priority	Goal(s) Addressed	Estimated Cost	Potential Funding Source	Proposed Completion Timeframe	Current Status
USD#261-1	Implement annual awareness campaigns to educate the public about potential risks to the area.	All Hazards	Superintendent	High	1,2,3	$100 - $5,000 depending on scope.	Capital	Repeating	Not started, lack of funding
