The interest payable on each Bond on any Interest Payment Date shall be paid to the Owner of such Bond as shown on the Bond Register at the close of business on the Record Date for such interest (a) by check or draft mailed by the Paying Agent to the address of such Owner shown on the Bond Register or at such other address as is furnished to the Paying Agent in writing by such Owner; or (b) in the case of an interest payment to Cede & Co. or any Owner of \$500,000 or more in aggregate principal amount of Bonds, by electronic transfer to such Owner upon written notice given to the Bond Registrar by such Owner, not less than 15 days prior to the Record Date for such interest, containing the electronic transfer instructions including the bank ABA routing number and account number to which such Owner wishes to have such transfer directed.

Notwithstanding the foregoing provisions of this Section, any Defaulted Interest with respect to any Bond shall cease to be payable to the Owner of such Bond on the relevant Record Date and shall be payable to the Owner in whose name such Bond is registered at the close of business on the Special Record Date for the payment of such Defaulted Interest, which Special Record Date shall be fixed as hereinafter specified in this paragraph. The Issuer shall notify the Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment (which date shall be at least 30 days after receipt of such notice by the Paying Agent) and shall deposit with the Paying Agent at the time of such notice an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Paying Agent for such deposit prior to the date of the proposed payment. Following receipt of such funds the Paying Agent shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment. The Paying Agent shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefore to be mailed, by first class mail, postage prepaid, to each Owner of a Bond entitled to such notice at the address of such Owner as it appears on the Bond Register not less than 10 days prior to such Special Record Date.

The Paying Agent shall keep a record of payment of principal and Redemption Price of and interest on all Bonds and at least annually shall forward a copy or summary of such records to the Issuer.

Section 205. Payments Due on Saturdays, Sundays and Holidays. In any case where a Bond Payment Date is not a Business Day, then payment of principal, Redemption Price or interest need not be

made on such Bond Payment Date but may be made on the next succeeding Business Day with the same force and effect as if made on such Bond Payment Date, and no interest shall accrue for the period after such Bond Payment Date.

Section 206. Registration, Transfer and Exchange of Bonds. The Issuer covenants that, as long as any of the Bonds remain Outstanding, it will cause the Bond Register to be kept at the office of the Bond Registrar as herein provided. Each Bond when issued shall be registered in the name of the Owner thereof on the Bond Register.

Bonds may be transferred and exchanged only on the Bond Register as provided in this Section. An Owner shall only have the authority to transfer and exchange Bonds in an aggregate principal amount of \$100,000 or more unless such transfer and exchange is made through a primary offering (as defined in the SEC Rule). Upon surrender of any Bond at the principal office of the Bond Registrar, the Bond Registrar shall transfer or exchange such Bond for a new Bond or Bonds in any Authorized Denomination of the same Stated Maturity and in the same aggregate principal amount as the Bond that was presented for transfer or exchange.

Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Bond Registrar, duly executed by the Owner thereof or by the Owner's duly authorized agent.

In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Bond Resolution. The Issuer shall pay the fees and expenses of the Bond Registrar for the registration, transfer and exchange of Bonds provided for by this Bond Resolution and the cost of printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the Bond Registrar, are the responsibility of the Owners of the Bonds. In the event any Owner fails to provide a correct taxpayer identification number to the Paying Agent, the Paying Agent may make a charge against such Owner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Code § 3406, such amount may be deducted by the Paying Agent from amounts otherwise payable to such Owner hereunder or under the Bonds.

The Issuer and the Bond Registrar shall not be required to register the transfer or exchange of any Bond during a period beginning at the opening of business on the day after receiving written notice from the Issuer of its intent to pay Defaulted Interest and ending at the close of business on the date fixed for the payment of Defaulted Interest pursuant to this *Article II*.

The Issuer and the Paying Agent may deem and treat the Person in whose name any Bond is registered on the Bond Register as the absolute Owner of such Bond, whether such Bond is overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and interest on said Bond and for all other purposes. All payments so made to any such Owner or upon the Owner's order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer nor the Paying Agent shall be affected by any notice to the contrary.

At reasonable times and under reasonable regulations established by the Bond Registrar, the Bond Register may be inspected and copied by the Bond Insurer or the Owners (or a designated representative thereof) of 10% or more in principal amount of the Bonds then Outstanding or any designated representative of such Owners whose authority is evidenced to the satisfaction of the Bond Registrar.

Section 207. Execution, Registration, Authentication and Delivery of Bonds. Each of the Bonds, including any Bonds issued in exchange or as substitutions for the Bonds initially delivered, shall

be executed for and on behalf of the Issuer by the manual or facsimile signature of the President, countersigned by the manual or facsimile signature of the Treasurer, attested by the manual or facsimile signature of the Clerk, and the seal of the Issuer shall be affixed thereto or imprinted thereon. The President and Clerk are hereby authorized and directed to prepare and execute the Bonds in the manner herein specified, and to cause the Bonds to be registered in the office of the Clerk, which registration shall be evidenced by the manual or facsimile signature of the Clerk with the seal of the Issuer affixed thereto or imprinted thereon. The Bonds shall also be registered in the office of the State Treasurer, which registration shall be evidenced by the manual or facsimile signature of the State Treasurer with the seal of the State Treasurer affixed thereto or imprinted thereon. In case any officer whose signature appears on any Bonds ceases to be such officer before the delivery of such Bonds, such signature shall nevertheless be valid and sufficient for all purposes, as if such person had remained in office until delivery. Any Bond may be signed by such persons who at the actual time of the execution of such Bond are the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

The President and Clerk are hereby authorized and directed to prepare and execute the Bonds as herein specified, and when duly executed, to deliver the Bonds to the Bond Registrar for authentication.

The Bonds shall have endorsed thereon a certificate of authentication substantially in the form attached hereto as **EXHIBIT A** hereof, which shall be manually executed by an authorized officer or employee of the Bond Registrar, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Bonds that may be issued hereunder at any one time. No Bond shall be entitled to any security or benefit under this Bond Resolution or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Bond Registrar. Such executed certificate of authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Bond Resolution. Upon authentication, the Bond Registrar shall deliver the Bonds to the Purchaser upon instructions of the Issuer or its representative.

Section 208. Mutilated, Lost, Stolen or Destroyed Bonds. If (a) any mutilated Bond is surrendered to the Bond Registrar or the Bond Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Bond, and (b) there is delivered to the Issuer and the Bond Registrar such security or indemnity as may be required by each of them, then, in the absence of notice to the Issuer or the Bond Registrar that such Bond has been acquired by a bona fide purchaser, the Issuer shall execute and, upon the Issuer's request, the Bond Registrar shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer, in its discretion, may pay such Bond instead of issuing a new Bond.

Upon the issuance of any new Bond under this Section, the Issuer and the Paying Agent may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Bond issued pursuant to this Section shall constitute a replacement of the prior obligation of the Issuer, and shall be entitled to all the benefits of this Bond Resolution equally and ratably with all other Outstanding Bonds.

Section 209. Cancellation and Destruction of Bonds Upon Payment. All Bonds that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the

Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Bonds so cancelled and destroyed and shall file an executed counterpart of such certificate with the Issuer.

Section 210. Book-Entry Bonds; Securities Depository. The Issuer and Paying Agent have entered into a DTC Representation Letter with DTC. The Bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no Beneficial Owner will receive certificates representing their respective interests in the Bonds, except in the event the Bond Registrar issues Replacement Bonds as provided in this Section. It is anticipated that during the term of the Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Bonds to the Participants until and unless the Bond Registrar authenticates and delivers Replacement Bonds to the Beneficial Owners as described in the following paragraph.

The Issuer may decide, subject to the requirements of the Operational Arrangements of DTC (or a successor Securities Depository), and the following provisions of this section to discontinue use of the system of book-entry transfers through DTC (or a successor Securities Depository):

(a) If the Issuer determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds; or

(b) if the Bond Registrar receives written notice from Participants having interests in not less than 50% of the Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds, then the Bond Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Bond Registrar shall register in the name of and authenticate and deliver Replacement Bonds to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (a)(1) or (a)(2) of this paragraph, the Issuer, with the consent of the Bond Registrar, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers.

In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Bond Registrar, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the Issuer, the Bond Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Bond Registrar shall authenticate and cause delivery of Replacement Bonds to Owners, as provided herein. The Bond Registrar may rely on information from the Securities Depository and its Participants as to the names of the Beneficial Owners of the Bonds. The cost of printing, registration, authentication, and delivery of Replacement Bonds shall be paid for by the Issuer.

In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Issuer may appoint a successor Securities Depository provided the Bond Registrar receives written evidence satisfactory to the Bond Registrar with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities

Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Bond Registrar upon its receipt of a Bond or Bonds for cancellation shall cause the delivery of Bonds to the successor Securities Depository in an Authorized Denominations and form as provided herein.

Section 211. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Bond Resolution or on, or with respect to, said Bond. If any Bond is not presented for payment within four (4) years following the date when such Bond becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 212. Preliminary and Final Official Statement. The Preliminary Official Statement dated October 20, 2020, is hereby ratified and approved. The Official Statement is hereby authorized to be prepared by supplementing, amending and completing the Preliminary Official Statement, with such changes and additions thereto as are necessary to conform to and describe the transaction. The President, Clerk, and Assistant Superintendent of Finance are hereby authorized to execute the Official Statement as so supplemented, amended and completed, and the use and public distribution of the Official Statement by the Purchaser in connection with the reoffering of the Bonds is hereby authorized. The proper officials of the Issuer are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the Issue Date.

The Issuer agrees to provide to the Purchaser within seven business days of the date of the sale of Bonds sufficient copies of the Official Statement to enable the Purchaser to comply with the requirements of the SEC Rule and Rule G-32 of the Municipal Securities Rulemaking Board.

Section 213. Sale of the Bonds – Bond Purchase Agreement. The execution of the Bond Purchase Agreement by the President is hereby ratified and confirmed. Pursuant to the Bond Purchase Agreement, the Issuer agrees to sell the Bonds to the Purchaser for the Purchase Price, upon the terms and conditions set forth therein.

ARTICLE III

REDEMPTION OF BONDS

Section 301. No Redemption of Bonds. The Bonds shall not be subject to redemption and payment prior to their Stated Maturity.

ARTICLE IV

SECURITY FOR BONDS

Section 401. Security for the Bonds. The Bonds shall be general obligations of the Issuer payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The full faith, credit and resources of the Issuer are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Bonds as the same become due.

Section 402. Levy and Collection of Annual Tax; Transfer to Debt Service Account. The Governing Body shall annually make provision for the payment of principal of, premium, if any, and interest on the Bonds as the same become due by, to the extent necessary, levying and collecting the necessary taxes upon all of the taxable tangible property within the Issuer in the manner provided by law.

The taxes referred to above shall be extended upon the tax rolls in each of the several years, respectively, and shall be levied and collected at the same time and in the same manner as the other ad valorem taxes of the Issuer are levied and collected. The proceeds derived from said taxes shall be deposited in the Bond and Interest Fund, shall be kept separate and apart from all other funds of the Issuer shall thereafter be transferred to the Debt Service Account and shall be used solely for the payment of the principal of and interest on the Bonds as and when the same become due, taking into account any scheduled mandatory redemptions, and the fees and expenses of the Paying Agent.

If at any time said taxes are not collected in time to pay the principal of or interest on the Bonds when due, the Treasurer is hereby authorized and directed to pay said principal or interest out of the general funds of the Issuer and to reimburse said general funds for money so expended when said taxes are collected.

ARTICLE V

ESTABLISHMENT OF FUNDS AND ACCOUNTS DEPOSIT AND APPLICATION OF BOND PROCEEDS

Section 501. Creation of Funds and Accounts. Simultaneously with the issuance of the Bonds, there shall be created within the Treasury of the Issuer the following Funds and Accounts:

- (a) Redemption Fund for Refunded Bonds.
- (b) Debt Service Account for General Obligation Refunding Bonds, Series 2020 (within the Bond and Interest Fund).
- (c) Costs of Issuance Account for General Obligation Refunding Bonds, Series 2020.
- (d) Compliance Account.

The Funds and Accounts established herein shall be administered in accordance with the provisions of this Bond Resolution so long as the Bonds are Outstanding.

Section 502. Deposit of Bond Proceeds. The net proceeds received from the sale of the Bonds shall be deposited simultaneously with the delivery of the Bonds as follows:

(a) Excess proceeds, if any, received from the sale of the Bonds shall be deposited in the Debt Service Account.

(b) An amount necessary to pay the Costs of Issuance shall be deposited in the Costs of Issuance Account.

(c) The remaining balance of the proceeds derived from the sale of the Bonds shall be deposited into the Redemption Fund.

Section 503. Application of Moneys in the Redemption Fund. Moneys in the Redemption Fund shall be paid and transferred to the Refunded Bonds Paying Agent, with irrevocable instructions to apply such amount to the payment of the Refunded Bonds on the Refunded Bonds Redemption Date. Any moneys remaining in the Redemption Fund not needed to retire the Refunded Bonds shall be transferred to the Debt Service Account.

Section 504. Application of Moneys in Debt Service Account. All amounts paid and credited to the Debt Service Account shall be expended and used by the Issuer for the sole purpose of paying the principal or Redemption Price of and interest on the Bonds as and when the same become due and the usual and customary fees and expenses of the Bond Registrar and Paying Agent. The Treasurer is authorized and directed to withdraw from the Debt Service Account sums sufficient to pay both principal or Redemption Price of and interest on the Bonds and the fees and expenses of the Bond Registrar and Paying Agent as and when the same become due, and to forward such sums to the Paying Agent in a manner which ensures that the Paying Agent will receive immediately available funds in such amounts on or before the Business Day immediately preceding the dates when such principal, interest and fees of the Bond Registrar and Paying Agent will become due. If, through the lapse of time or otherwise, the Owners of Bonds are no longer entitled to enforce payment of the Bonds or the interest thereon, the Paying Agent shall return said funds to the Issuer. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Bond Resolution and shall be held in trust by the Paying Agent for the benefit of the Owners of the Bonds entitled to payment from such moneys.

Any moneys or investments remaining in the Debt Service Account after the retirement of the Bonds shall be transferred and paid into the Bond and Interest Fund.

Section 505. Deposits and Investment of Moneys. Moneys in each of the Funds and Accounts shall be deposited in accordance with laws of the State, in a bank, savings and loan association or savings bank organized under the laws of the State, any other state or the United States: (a) which has a main or branch office located in the Issuer; or (b) if no such entity has a main or branch office located in the Issuer, with such an entity that has a main or branch office located in the county or counties in which the Issuer is located. All such depositories shall be members of the Federal Deposit Insurance Corporation, or otherwise as permitted by State law. All such deposits shall be invested in Permitted Investments as set forth in this Article or shall be adequately secured as provided by the laws of the State. All moneys held in the Funds and Accounts shall be kept separate and apart from all other funds of the Issuer so that there shall be no commingling with any other funds of the Issuer.

Moneys held in any Fund or Account other than the Redemption Fund may be invested in accordance with this Bond Resolution and the Federal Tax Certificate in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such fund was created. All earnings on any investments held in any Fund or Account shall accrue to and become a part of such Fund or Account.

Section 506. Application of Moneys in the Costs of Issuance Account. Moneys in the Costs of Issuance Account shall be used by the Issuer to pay the Costs of Issuance. Any funds remaining in the Costs of Issuance Account, after payment of all Costs of Issuance, but not later than the later of 30 days prior to the first Stated Maturity of principal or one year after the date of issuance of the Bonds, shall be transferred to the Compliance Account or Debt Service Account.

Section 507. Application of Moneys in the Compliance Account. Moneys in the Compliance Account shall be used by the Issuer to pay fees and expenses relating to compliance with federal arbitrage law and state or federal securities laws. Any funds remaining in the Compliance Account on the sixth anniversary of the Issue Date shall be transferred to the Debt Service Account.

ARTICLE VI

DEFAULT AND REMEDIES

Section 601. Remedies. The provisions of the Bond Resolution, including the covenants and agreements herein contained, shall constitute a contract between the Issuer and the Owners of the Bonds. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Bonds similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the Issuer and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Bond Resolution or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the Issuer, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Bonds.

Section 602. Limitation on Rights of Owners. The covenants and agreements of the Issuer contained herein and in the Bonds shall be for the equal benefit, protection, and security of the Owners of any or all of the Bonds, all of which Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds herein pledged to the payment of the principal of and the interest on the Bonds, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Bond Resolution. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Outstanding Bonds.

Section 603. Remedies Cumulative. No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owners of the Bonds by this Bond Resolution

may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the Issuer and the Owners of the Bonds shall, subject to any determination in such action or proceeding or applicable law of the State, be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

Section 604. Control of Remedies Upon an Event of Default and Event of Insolvency. Notwithstanding anything herein to the contrary, upon the occurrence and continuance of an Event of Default, the Bond Insurer, provided the Bond Insurance Policy is in full force and effect and the Bond Insurer shall not be in default thereunder, shall be entitled to control and direct the enforcement of all rights and remedies granted to the Owners under this Bond Resolution. Any reorganization or liquidation plan with respect to the Issuer must be acceptable to the Bond Insurer. In the event of any reorganization or liquidation, the Bond Insurer shall have the right to vote on behalf of all Owners who hold the Bonds insured by the Bond Insurer absent a default by the Bond Insurer under the applicable Bond Insurance Policy insuring such Bonds.

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Bonds, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Bond Resolution and the pledge of the Issuer's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Bonds or scheduled interest payments thereon so paid and discharged. Bonds, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Bond Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of or Redemption Price of said Bonds and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. If the amount to be so deposited is based on the Redemption Price of any Bonds, no such satisfaction shall occur until (a) the Issuer has elected to redeem such Bonds, and (b) either notice of such redemption has been given, or the Issuer has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Bond Registrar to give such notice of redemption in compliance with **Article III** hereof. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the Issuer, for the purpose of paying and discharging any of the Bonds, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Bonds, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Bond Resolution. The Issuer shall notify the Bond Insurer of any defeasance under this Section.

Notwithstanding anything in this Bond Resolution to the contrary, in the event that the principal and/or interest due on the Bonds shall be paid by the Bond Insurer pursuant to the Bond Insurance Policy, the Bonds shall remain Outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Issuer and the covenants, agreements and other obligations of the Issuer to the

Owners shall continue to exist and shall run to the benefit of the Bond Insurer, and the Bond Insurer shall be subrogated to the rights of such Owners.

ARTICLE VIII

TAX COVENANTS

Section 801. General Covenants. The Issuer covenants and agrees that it will comply with: (a) all applicable provisions of the Code necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds; and (b) all provisions and requirements of the Federal Tax Certificate. The President, Clerk, and Assistant Superintendent of Finance are hereby authorized and directed to execute the Federal Tax Certificate in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the Issuer. The Issuer will, in addition, adopt such other resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the Issuer.

Section 802. Survival of Covenants. The covenants contained in this Article and in the Federal Tax Certificate shall remain in full force and effect notwithstanding the defeasance of the Bonds pursuant to *Article VII* hereof or any other provision of this Bond Resolution until such time as is set forth in the Federal Tax Certificate.

ARTICLE IX

PROVISIONS RELATING TO THE BOND INSURANCE POLICY

Section 901. Payment Procedure Pursuant to Bond Insurance Policy. As long as the Bond Insurance Policy shall be in full force and effect, the Issuer and the Paying Agent agree to comply with the following provisions:

(a) In the event that principal and/or interest due on the Bonds shall be paid by the Bond Insurer pursuant to the Policy, the Bonds shall remain outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Issuer, the assignment and pledge of the trust estate and all covenants, agreements and other obligations of the Issuer to the registered owners shall continue to exist and shall run to the benefit of the Bond Insurer, and the Bond Insurer shall be subrogated to the rights of such registered owners including, without limitation, any rights that such owners may have in respect of securities law violations arising from the offer and sale of the Bonds.

(b) In the event that on the second (2nd) business day prior to the payment date on the Bonds, the Paying Agent has not received sufficient moneys to pay all principal of and interest on the Bonds due on the second (2nd) following business day, the Paying Agent shall immediately notify the Bond Insurer or its designee on the same business day by telephone or electronic mail, of the amount of the deficiency.

(c) If any deficiency is made up in whole or in part prior to or on the payment date, the Paying Agent or Trustee shall so notify the Bond Insurer or its designee.

(d) In addition, if the Paying Agent has notice that any Bondholder has been required to disgorge payments of principal of or interest on the Bonds pursuant to a final, non-appealable order by a court of competent jurisdiction that such payment constitutes an avoidable preference to such Bondholder

within the meaning of any applicable bankruptcy law, then the Paying Agent shall notify the Bond Insurer or its designee of such fact by telephone or electronic mail, or by overnight or other delivery service as to which a delivery receipt is signed by a person authorized to accept delivery on behalf of the Bond Insurer.

(e) The Paying Agent shall irrevocably be designated, appointed, directed and authorized to act as attorney-in-fact for holders of the Bonds as follows:

(1) If there is a deficiency in amounts required to pay interest and/or principal on the Bonds, the Paying Agent or Trustee shall (i) execute and deliver to the Bond Insurer, in form satisfactory to the Bond Insurer, an instrument appointing the Bond Insurer as agent for such holders of the Bonds in any legal proceeding related to the payment of and an assignment to the Bond Insurer of the claims for interest on the Bonds, (ii) receive as designee of the respective holders (and not as Paying Agent) in accordance with the tenor of the Bond Insurance Policy payment from the Bond Insurer with respect to the claims for interest so assigned, and (iii) disburse the same to such respective holders; and

(2) If there is a deficiency in amounts required to pay principal of the Bonds, the Paying Agent shall (i) execute and deliver to the Bond Insurer, in form satisfactory to the Bond Insurer, an instrument appointing the Bond Insurer as agent for such holder of the Bonds in any legal proceeding related to the payment of such principal and an assignment to the Bond Insurer of the Bond surrendered to the Bond Insurer (but such assignment shall be delivered only if payment from the Bond Insurer is received), (ii) receive as designee of the respective holders (and not as Paying Agent) in accordance with the tenor of the Policy payment therefore from the Bond Insurer, and (iii) disburse the same to such holders.

(f) Payments with respect to claims for interest on and principal of Bonds disbursed by the Paying Agent from proceeds of the Bond Insurance Policy shall not be considered to discharge the obligation of the Issuer with respect to such Bonds, and the Bond Insurer shall become the owner of such unpaid Bond and claims for the interest in accordance with the tenor of the assignment made to it under the provisions of the preceding paragraph (e) or otherwise.

(g) Irrespective of whether any such assignment is executed and delivered, the Issuer and the Paying Agent shall agree for the benefit of the Bond Insurer that:

(1) They recognize that to the extent the Bond Insurer makes payments directly or indirectly (*e.g.*, by paying through the Paying Agent), on account of principal of or interest on the Bonds, the Bond Insurer will be subrogated to the rights of such holders to receive the amount of such principal and interest from the Issuer, with interest thereon, as provided and solely from the sources stated in the transaction documents and the Bonds; and

(2) They will accordingly pay to the Bond Insurer the amount of such principal and interest, with interest thereon as provided in the transaction documents and the Bonds, but only from the sources and in the manner provided therein for the payment of principal of and interest on the Bonds to holders, and will otherwise treat the Bond Insurer as the owner of such rights to the amount of such principal and interest.

Section 902. Notices to the Bond Insurer.

(a) While the Bond Insurance Policy is in effect, the Issuer shall, in addition to the other notice requirements contained in this Bond Resolution, furnish to the Bond Insurer:

(1) As soon as practicable after the filing thereof, a copy of any financial statement, audit and/or annual report of the Issuer;

(2) A copy of any notice to be given to the Owners, including, without limitation, notice of any redemption of or defeasance of Bonds, and any certificate rendered pursuant to this Bond Resolution relating to the security for the Bonds;

(3) Copies of any filings or notices required to be given by the Issuer pursuant to the Disclosure Undertaking;

(4) Notice of an Event of Default within five business days after the occurrence of such event; and

(5) Such additional information as the Bond Insurer may reasonably request.

(b) The Issuer shall notify the Bond Insurer of any failure of the Issuer to provide relevant notices, certificates, etc.

(c) Notwithstanding any other provision of this Bond Resolution, the Issuer shall immediately notify the Bond Insurer if at any time there are insufficient moneys to make any payments of principal and/or interest as required and immediately upon the occurrence of any Event of Default hereunder.

Section 903. Suspension of Bond Insurer's Rights. Rights of the Bond Insurer to direct or consent to actions granted under this Bond Resolution shall be suspended during any period in which the Bond Insurer is in default in its payment obligations under the Bond Insurance Policy (except to the extent of amounts previously paid by the Bond Insurer and due and owing to the Bond Insurer) and shall be of no force or effect in the event the Bond Insurance Policy is no longer in effect or the Bond Insurer asserts that the Bond Insurance Policy is not in effect or the Bond Insurer shall have provided written notice that it waives such rights.

ARTICLE X

CONTINUING DISCLOSURE REQUIREMENTS

Section 1001. Disclosure Requirements. The Issuer hereby covenants with the Purchaser and the Beneficial Owners to provide and disseminate such information as is required by the SEC Rule and as further set forth in the Disclosure Undertaking, the provisions of which are incorporated herein by reference. Such covenant shall be for the benefit of and enforceable by the Purchaser and the Beneficial Owners.

Section 1002. Failure to Comply with Continuing Disclosure Requirements. In the event the Issuer fails to comply in a timely manner with its covenants contained in the preceding section, the Purchaser and/or any Beneficial Owner may make demand for such compliance by written notice to the Issuer. In the event the Issuer does not remedy such noncompliance within 10 days of receipt of such written notice, the Purchaser or any Beneficial Owner may in its discretion, without notice or demand, proceed to enforce compliance by a suit or suits in equity for the specific performance of such covenant or agreement contained in the preceding section or for the enforcement of any other appropriate legal or equitable remedy, as the Purchaser and/or any Beneficial Owner shall deem effectual to protect and enforce any of the duties of the Issuer under such preceding section. The Purchaser or Beneficial Owner shall provide a copy of any such demand or notice to the Bond Insurer. Notwithstanding any other provision of this Bond Resolution, failure of the Issuer to comply with its covenants contained in the preceding section shall not be considered an Event of Default under this Bond Resolution.

ARTICLE XI

MISCELLANEOUS PROVISIONS

Section 1101. Annual Audit. Annually, promptly after the end of the Fiscal Year, the Issuer will cause an audit to be made of the financial statements of the Issuer for the preceding Fiscal Year by an Independent Accountant. Within 30 days after the completion of each such audit, a copy thereof shall be filed in the office of the Clerk, and a duplicate copy of the audit shall be mailed to the Bond Insurer. Such audit shall at all times during the usual business hours be open to the examination and inspection by any taxpayer, any Owner of any of the Bonds, or by anyone acting for or on behalf of such taxpayer or Owner. Upon payment of the reasonable cost of preparing and mailing the same, a copy of any annual audit will, upon request, be sent to any Owner or prospective Owner. As soon as possible after the completion of the annual audit, the Governing Body shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Bond Resolution, the Issuer shall promptly cure such deficiency.

Section 1102. Amendments. The rights and duties of the Issuer and the Owners, and the terms and provisions of the Bonds or of this Bond Resolution, may be amended or modified at any time in any respect by resolution of the Issuer with the written consent of the Bond Insurer and the Owners of not less than a majority in principal amount of the Bonds then Outstanding, such consent to be evidenced by an instrument or instruments executed by the Bond Insurer and such Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

- (a) extend the maturity of any payment of principal or interest due upon any Bond;
- (b) effect a reduction in the amount which the Issuer is required to pay as principal of or interest on any Bond;
- (c) permit preference or priority of any Bond over any other Bond; or
- (d) reduce the percentage in principal amount of Bonds required for the written consent to any modification or alteration of the provisions of this Bond Resolution.

Any provision of the Bonds or of this Bond Resolution may, however, be amended or modified by resolution duly adopted by the Governing Body at any time in any legal respect with the written consent of the Bond Insurer and the Owners of all of the Bonds at the time Outstanding.

Without notice to or the consent of any Owners, the Issuer may amend or supplement this Bond Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein, to grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, to conform this Bond Resolution to the Code or future applicable federal law concerning tax-exempt obligations, or in connection with any other change therein which is not materially adverse to the interests of the Owners. Copies of any amendments which are consented to by the Bond Insurer shall be provided to Standard & Poor's.

Every amendment or modification of the provisions of the Bonds or of this Bond Resolution, to which the written consent of the Bond Insurer and the Owners is given, as above provided, shall be expressed in a resolution adopted by the Governing Body amending or supplementing the provisions of this Bond Resolution and shall be deemed to be a part of this Bond Resolution. A certified copy of every such

amendatory or supplemental resolution, if any, and a certified copy of this Bond Resolution shall always be kept on file in the office of the Clerk, shall be delivered to the Bond Insurer and shall be made available for inspection by the Owner of any Bond or a prospective purchaser or owner of any Bond authorized by this Bond Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental resolution or of this Bond Resolution will be sent by the Clerk to any such Owner or prospective Owner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the resolution of the Issuer hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Bond Insurer and the Owners of the Bonds then Outstanding. It shall not be necessary to note on any of the Outstanding Bonds any reference to such amendment or modification.

The Issuer shall furnish to the Paying Agent a copy of any amendment to the Bonds or this Bond Resolution which affects the duties or obligations of the Paying Agent under this Bond Resolution.

Section 1103. Notices, Consents and Other Instruments by Owners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Bond Resolution, and shall be conclusive in favor of the Issuer and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Register.

In determining whether the Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Bond Resolution, Bonds owned by the Issuer shall be disregarded and deemed not to be Outstanding under this Bond Resolution, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Owners the pledgee's right so to act with respect to such Bonds and that the pledgee is not the Issuer.

Section 1104. Notices. Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Bond Resolution shall be in writing, given to the Notice Representative at the Notice Address and shall be deemed duly given or filed if the same shall be: (a) duly mailed by registered or certified mail, postage prepaid; or (b) communicated via fax, with electronic or telephonic confirmation of receipt. Copies of such notices shall also be given to the Paying Agent and the Bond Insurer. The Issuer, the Paying Agent, the Bond Insurer and the Purchaser may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

All notices given by: (a) certified or registered mail as aforesaid shall be deemed duly given as of the date they are so mailed; (b) fax as aforesaid shall be deemed duly given as of the date of confirmation of

receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Paying Agent shall constitute a sufficient notice.

Section 1105. Electronic Transactions. The transactions described in this Bond Resolution may be conducted, and documents related to the Bonds may be sent, received, executed, and stored, by electronic means or transmissions. Copies, telecopies, electronic files and other reproductions of original executed documents (or documents executed by electronic means or transmissions) shall be deemed to be authentic and valid counterparts of such documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

Section 1106. Further Authority. The officers and officials of the Issuer, including the President, Assistant Superintendent of Finance, and Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Bond Resolution and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section 1107. Severability. If any section or other part of this Bond Resolution, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Bond Resolution.

Section 1108. Governing Law. This Bond Resolution shall be governed exclusively by and construed in accordance with the applicable laws of the State.

Section 1109. Effective Date. This Bond Resolution shall take effect and be in full force from and after its adoption by the Governing Body.

\$6,555,000
UNIFIED SCHOOL DISTRICT NO. 261,
SEDGWICK COUNTY, KANSAS (HAYSVILLE)
GENERAL OBLIGATION REFUNDING BONDS
SERIES 2020
DATED DECEMBER 1, 2020

THIS AGREEMENT, dated as of December 1, 2020, between Unified School District No. 261, Sedgwick County, Kansas (Haysville), a unified school district (the “Issuer”), and the State Treasurer of Kansas, as Agent (the “Agent”).

WHEREAS, for its lawful purposes, the Issuer has duly authorized the issue of the above-captioned bonds (the “Securities”), and the Issuer wishes the Agent to act as its Paying Agent, Bond Registrar, and Transfer Agent for the Securities:

Now, therefore, it is hereby agreed as follows:

I. APPOINTMENT

Issuer hereby appoints or has heretofore appointed the State Treasurer of Kansas to act as Paying Agent, Bond Registrar and Transfer Agent for the Securities. The State Treasurer of Kansas hereby accepts its appointment as the Paying Agent, Bond Registrar and Transfer Agent.

II. BASIC DUTIES

- A. Issuer or its duly authorized representative agrees to furnish Agent the name(s) and address(es) of the initial registered owner(s) of the Securities together with such registered owners' tax identification (social security) number(s), the maturity date(s), denomination(s) and interest rate(s) for each Security.
- B. Agent shall manually authenticate the originally issued Securities upon the written order of one or more authorized officers of Issuer. Thereafter, Agent shall manually authenticate all Securities resulting from transfer or exchange of Securities.
- C. Agent shall maintain an office in the City of Topeka, Kansas, where Securities may be presented for registration, transfer and exchange; and shall also maintain an office in the City of Topeka, Kansas, where Securities may be presented for payment. Agent shall keep a register of the Securities and their transfer and exchange.
- D. Agent may rely upon any document believed by it to be genuine and to have been signed or presented by the proper person. Agent need not investigate any fact or matter stated in the document. Agent undertakes to perform such duties and only such duties set forth in K.S.A. 10-620 *et seq.*, except as specifically provided in this Agreement.
- E. Agent shall notify the owners of the Securities upon default in payment of principal or interest on the Securities and the Agent shall have no duties or responsibilities thereafter.

III. COMPENSATION

Issuer covenants and agrees to pay to Agent, as reasonable compensation for the services provided as Agent, an initial setup fee of \$300, a registration fee of \$30, plus a fee of \$2,500, which is based on “Book-entry Only” Securities.

This amount will be due at the time of registration unless such fee is to be paid from the proceeds of the bond issue in which case Issuer agrees to pay such fee within two (2) business days of the closing of the bond issue. In addition to the aforementioned fee, Issuer covenants and agrees to pay to Agent the fee as stated and required by K.S.A. 10-505 for performing the duties of paying the principal of the Securities.

IV. STANDARD OF PERFORMANCE

Issuer shall provide, or shall cause to be provided to Agent, a designation of whether its Securities are to be issued in certificated or uncertificated form, or both.

A. *STATEMENTS OF OWNERSHIP*

Agent agrees to provide Statements of Ownership to the owner of uncertificated Securities. Such Statements shall be in accordance with the standards set forth by the Attorney General. All Statements shall be issued in the denominations of \$1,000 or \$5,000 or integral multiples thereof except for one additional Security in another denomination, which additional Security shall mature in the initial maturity year of the series of the Securities. Interest is computed on the basis of \$1,000 or \$5,000 units and in all transactions involving the payment of interest, fractions of a cent equalling or exceeding five mills shall be regarded as one cent; fractions of a cent less than five mills shall be disregarded. Agent shall at all times maintain an adequate supply of Statements of Ownership for any anticipated transfers or exchanges of the Statements.

B. *CERTIFICATED SECURITIES*

All certificated Securities issued by Issuer under this Agreement shall be in accordance with the standards set forth by the Attorney General and unless otherwise authorized by Agent, the principal thereof shall be payable only upon surrender of the Security to Agent. All certificates shall be issued in the denomination of \$1,000 or \$5,000 or integral multiples thereof except one authorized Security in another denomination which additional Security shall mature in the initial maturity year of the series of Securities. Interest is computed on the basis of \$1,000 or \$5,000 units and in all transactions involving the payment of interest, fractions of a cent equaling or exceeding five mills shall be regarded as one cent; fractions of a cent less than five mills shall be disregarded. Issuer shall at Issuer's cost provide Agent with an adequate supply of certificates for any anticipated transfers or exchanges of the certificates. Issuer shall be responsible for the payment of the printing or other expenses for such certificates. Issuer shall be responsible for obtaining appropriate “CUSIP” number(s) and shall notify Agent of each number(s) prior to the issuance of the applicable Securities.

C. ***INTEREST CALCULATIONS***

Agent shall calculate interest on the basis of \$1,000 and \$5,000 units, or in the case of one odd denomination, calculate the unit separately. Each intermediate unit calculation is first determined, then rounded to the sixth decimal position; i.e. whenever the seventh decimal place is equal to or greater than five the sixth decimal place is increased by one. The final per unit calculation is subsequently rounded to two decimal positions. (See Attachment "A" for sample calculation.)

D. ***SURRENDER***

Securities surrendered for payment, cancellation or partial redemption shall be cancelled by Agent and returned to Issuer in accordance with K.S.A. 10-111.

E. ***TRANSFERS AND EXCHANGES***

1. When Securities are presented to Agent for transfer or exchange, Agent shall so transfer or exchange such Securities if the requirements of Section 8-401(1) of the Uniform Commercial Code are met.
2. In accordance with the authorizing Resolution or Ordinance of the Issuer (the "Bond Resolution"), payments of interest shall be made to the owner of record of each Security as of the close of business on the fifteenth day of the month preceding each interest payment date. The Agent shall make such payments to the record owner of each Security as set forth on the registration books maintained by Agent as of such date.
3. Agent shall not be required to transfer or exchange any Security during a period beginning on the day following the fifteenth day of the month preceding any interest payment date for such Securities and ending at the close of business on the interest payment date, or to transfer or exchange any Security selected or called for redemption in whole or in part subsequent to the date notice of such redemption is given in accordance with the Bond Resolution authorizing the Securities.

F. ***REGISTRATION DATES AND FUNDS FOR PAYMENTS***

Date of Registration shall be affixed on the initial Securities. Subsequent transfers or exchanges shall bear a Date of Registration as of the date that all the required documentation is received at the Agent's official place of business. Issuer will provide funds to make any interest or principal payments in accordance with K.S.A. 10-130 and amendments thereto. Agent is hereby authorized to effect any semiannual payment of interest or any principal by charging the Issuer's Fiscal Agency account with Agent.

G. ***REPLACEMENT OF SECURITIES***

If the owner of a Security claims that a Security has been lost, destroyed or wrongfully taken, Issuer shall issue and Agent shall authenticate a replacement Security if the requirements of Section 8-405 of the Uniform Commercial Code are met. Only Agent shall perform this function. An indemnity bond and affidavit of loss shall be provided to Agent and Issuer at the expense of the owner of the Security. Such indemnity bond and affidavit of loss must be sufficient in the judgment of Issuer and Agent to protect Issuer and Agent

from any loss which any of them may suffer if the Security is replaced. Issuer may charge the Security owner for its expenses in the replacement of a Security.

H. **[RESERVED]**

I. **MISCELLANEOUS**

Agent hereby acknowledges receipt of numbered Securities of Issuer (in a number equal to one Security for each maturity) for registration and exchange, and shall safeguard any “blank” Securities held for purpose of exchange or transfer.

J. **REPORTS**

Agent shall provide Issuer an annual report of the activity with respect to the issuance of Securities upon written request of Issuer.

K. **CONSTRUCTION**

This Agreement shall be construed in accordance with the laws of the State of Kansas and also the Bond Resolution authorizing the issuance of the Securities.

L. **MUNICIPAL BOND INSURANCE POLICY**

The parties acknowledge that Build America Mutual Assurance Company., New York, New York (the “Bond Insurer”) has issued a municipal bond insurance policy (the “Policy”) insuring the payment when due of the principal of and interest on the Securities as provided therein. As long as the Policy shall be in full force and effect, the Issuer and the Agent agree to comply with the following provisions:

- (a) In the event that principal and/or interest due on the Bonds shall be paid by the Bond Insurer pursuant to the Policy, the Bonds shall remain outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Issuer, the assignment and pledge of the trust estate and all covenants, agreements and other obligations of the Issuer to the registered owners shall continue to exist and shall run to the benefit of the Bond Insurer, and the Bond Insurer shall be subrogated to the rights of such registered owners including, without limitation, any rights that such owners may have in respect of securities law violations arising from the offer and sale of the Bonds.
- (b) In the event that on the second (2nd) business day prior to the payment date on the Bonds, the Paying Agent has not received sufficient moneys to pay all principal of and interest on the Bonds due on the second (2nd) following business day, the Paying Agent shall immediately notify the Bond Insurer or its designee on the same business day by telephone or electronic mail, of the amount of the deficiency. The following terms shall have the meanings specified for all purposes of the Bond Insurance Policy:
- (c) If any deficiency is made up in whole or in part prior to or on the payment date, the Paying Agent or Trustee shall so notify the Bond Insurer or its designee.
- (d) In addition, if the Paying Agent has notice that any Bondholder has been required to disgorge payments of principal of or interest on the Bonds pursuant to a final, non-appealable order by a court of competent jurisdiction that such payment constitutes an

avoidable preference to such Bondholder within the meaning of any applicable bankruptcy law, then the Paying Agent shall notify the Bond Insurer or its designee of such fact by telephone or electronic mail, or by overnight or other delivery service as to which a delivery receipt is signed by a person authorized to accept delivery on behalf of the Bond Insurer.

- (e) The Paying Agent shall irrevocably be designated, appointed, directed and authorized to act as attorney-in-fact for holders of the Bonds as follows:

- (1) If there is a deficiency in amounts required to pay interest and/or principal on the Bonds, the Paying Agent or Trustee shall (i) execute and deliver to the Bond Insurer, in form satisfactory to the Bond Insurer, an instrument appointing the Bond Insurer as agent for such holders of the Bonds in any legal proceeding related to the payment of and an assignment to the Bond Insurer of the claims for interest on the Bonds, (ii) receive as designee of the respective holders (and not as Paying Agent) in accordance with the tenor of the Bond Insurance Policy payment from the Bond Insurer with respect to the claims for interest so assigned, and (iii) disburse the same to such respective holders; and

- (2) If there is a deficiency in amounts required to pay principal of the Bonds, the Paying Agent shall (i) execute and deliver to the Bond Insurer, in form satisfactory to the Bond Insurer, an instrument appointing the Bond Insurer as agent for such holder of the Bonds in any legal proceeding related to the payment of such principal and an assignment to the Bond Insurer of the Bond surrendered to the Bond Insurer (but such assignment shall be delivered only if payment from the Bond Insurer is received), (ii) receive as designee of the respective holders (and not as Paying Agent) in accordance with the tenor of the Policy payment therefore from the Bond Insurer, and (iii) disburse the same to such holders.

- (f) Payments with respect to claims for interest on and principal of Bonds disbursed by the Paying Agent from proceeds of the Bond Insurance Policy shall not be considered to discharge the obligation of the Issuer with respect to such Bonds, and the Bond Insurer shall become the owner of such unpaid Bond and claims for the interest in accordance with the tenor of the assignment made to it under the provisions of the preceding paragraph (e) or otherwise.

- (g) Irrespective of whether any such assignment is executed and delivered, the Issuer and the Paying Agent shall agree for the benefit of the Bond Insurer that:

- (1) They recognize that to the extent the Bond Insurer makes payments directly or indirectly (*e.g.*, by paying through the Paying Agent), on account of principal of or interest on the Bonds, the Bond Insurer will be subrogated to the rights of such holders to receive the amount of such principal and interest from the Issuer, with interest thereon, as provided and solely from the sources stated in the transaction documents and the Bonds; and

- (2) They will accordingly pay to the Bond Insurer the amount of such principal and interest, with interest thereon as provided in the transaction documents and the Bonds, but only from the sources and in the manner provided therein for the payment of principal of and interest on the Bonds to holders, and will otherwise treat the Bond Insurer as the owner of such rights to the amount of such principal and interest.

Re: \$6,555,000 General Obligation Refunding Bonds, Series 2020, of Unified School District No. 261, Sedgwick County, Kansas (Haysville), Dated December 1, 2020

We have acted as Bond Counsel in connection with the issuance by Unified School District No. 261, Sedgwick County, Kansas (Haysville) (the “Issuer”), of the above-captioned bonds (the “Bonds”). In this capacity, we have examined the law and the certified proceedings, certifications and other documents that we deem necessary to render this opinion. Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the resolution adopted by the governing body of the Issuer authorizing the issuance and prescribing the details of the Bonds.

Regarding questions of fact material to our opinion, we have relied on the certified proceedings and other certifications of public officials and others furnished to us without undertaking to verify them by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The Bonds have been duly authorized, executed and delivered by the Issuer and are valid and legally binding general obligations of the Issuer.

2. The Bonds are payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The Issuer is required by law to include in its annual tax levy the principal and interest coming due on the Bonds to the extent that necessary funds are not provided from other sources.

3. The interest on the Bonds is: (a) excludable from gross income for federal income tax purposes; and (b) not an item of tax preference for purposes of the federal alternative minimum tax. The opinions set forth in this paragraph are subject to the condition that the Issuer complies with all requirements of the Internal Revenue Code of 1986, as amended (the “Code”) that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes. The Issuer has covenanted to comply with all of these requirements. Failure to comply with certain of these requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactive to the date of issuance of the Bonds. The Bonds are “qualified

tax-exempt obligations” within the meaning of Code § 265(b)(3). We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

4. The interest on the Bonds is exempt from income taxation by the State of Kansas.

We express no opinion regarding the accuracy, completeness or sufficiency of the Official Statement or other offering material relating to the Bonds (except to the extent, if any, stated in the Official Statement). Further, we express no opinion regarding tax consequences arising with respect to the Bonds other than as expressly set forth in this opinion.

The rights of the owners of the Bonds and the enforceability thereof may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally and by equitable principles, whether considered at law or in equity.

This opinion is given as of its date, and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may come to our attention or any changes in law that may occur after the date of this opinion.

Re: \$6,555,000 General Obligation Refunding Bonds, Series 2020, of Unified School District No. 261, Sedgwick County, Kansas (Haysville), Dated December 1, 2020

We have acted as Bond Counsel to Unified School District No. 261, Sedgwick County, Kansas (Haysville) (the “Issuer”) in connection with the issuance of the above-captioned bonds (the “Bonds”). This opinion supplements our approving legal opinion of even date herewith relating to the Bonds. We have examined the law and the certified proceedings, certifications and other documents that we deem necessary to render this opinion.

The Bonds have been authorized pursuant to a resolution adopted by the governing body of the Issuer (the “Bond Resolution”). Capitalized terms used and not otherwise defined in this opinion have the meanings assigned in the Bond Resolution.

Regarding questions of fact material to our opinion, we have relied on the certified proceedings and other certifications of public officials and others furnished to us without undertaking to verify them by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The statements contained in the Official Statement, dated October 28, 2020, relating to the Bonds (the “Official Statement”) under the captions “THE BONDS” (excluding the “Book-Entry Bonds; Securities Depository” subheading), “LEGAL MATTERS,” and “TAX MATTERS,” and **APPENDIX C, D and E** to the Official Statement (the “Identified Portions”), insofar as such statements purport to summarize certain provisions of the Bonds, the Bond Resolution, the Disclosure Undertaking or provisions of federal or State income tax laws relating to interest on the Bonds, are accurate and present a fair summary of the matters purported to be described therein, and we have no reason to believe that the information contained under such captions of, or in such appendices to, the Official Statement as of its date and as of the date hereof, insofar as such statements purport to summarize certain provisions of such documents or laws, contained or contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. We express no view, however, as to any difference in information contained in the Preliminary Official Statement in the Identified Portions described above compared to what is contained in the same sections of the Official Statement, and whether any such difference is material and should have been included in the Preliminary Official Statement.

2. The Bonds are exempt from registration under the Securities Act of 1933, as amended, and the Bond Resolution is exempt from qualification under the Trust Indenture Act of 1939, as amended.

Except for the Identified Portions, we have not verified, are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Official Statement. As part of our engagement as bond counsel, certain of our attorneys participated in conferences (telephonically and otherwise) and correspondence with representatives of and counsel to Stifel, Nicolaus & Company, Incorporated (the "Underwriter"), representatives of and counsel to the Issuer, and other persons involved in the preparation of information for the Official Statement, during which the contents of the Official Statement and related matters were discussed and revised. The purpose of our professional engagement was not to establish or confirm factual matters set forth in the Official Statement, and we have not undertaken any obligation to verify independently any of the factual matters set forth therein. Moreover, many of the determinations required to be made in the preparation of the Official Statement involve matters of a non-legal nature. Based on our participation in the above-mentioned conferences and correspondence and in reliance on the assumptions contained herein and on our limited review of the records, reports, documents, certificates, statements, representations, warranties, opinions and matters mentioned above, without independent verification, we are not aware of any facts which would lead us to the legal conclusion that the Identified Portions of the Official Statement contain an untrue statement of a material fact or omits to state any material fact necessary to make the statements therein, in light of the circumstances under which they are made, not misleading.

We express no opinion with respect to the laws of any jurisdiction other than the laws of the State of Kansas and the federal laws of the United States of America. This opinion is based upon such laws as are in effect on the date hereof and we expressly disclaim any undertaking to advise you of any subsequent changes therein.

This opinion is delivered to you for your use only and may not be used or relied on by any third party for any purpose without our prior written approval in each instance.

This opinion is given as of its date, and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may come to our attention or any changes in law that may occur after the date of this opinion.

If the document included by reference is a final official statement, it must be available from the MSRB on EMMA. The Issuer shall clearly identify each such other document so included by reference.

In each case, the Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in this Section; provided that the audited financial statements of the Issuer may be submitted separately from the balance of the Annual Report and later than the date required above for the filing of the Annual Report if they are not available by that date. If the Issuer’s Fiscal Year changes, it shall give notice of such change in the same manner as for a Material Event under *Section 3*, and the Annual Report deadline provided above shall automatically become the first day of the second month after the end of the Issuer’s new fiscal year.

(b) The Annual Report shall be filed with the MSRB in such manner and format as is prescribed by the MSRB.

- (12) bankruptcy, insolvency, receivership or similar event of the obligated person;
- (13) the consummation of a merger, consolidation, or acquisition involving the obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (14) appointment of a successor or additional trustee or the change of name of the trustee, if material;
- (15) incurrence of a Financial Obligation of the obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the obligated person, any of which affect security holders, if material; and
- (16) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the obligated person, any of which reflect financial difficulties.

If the Issuer has not submitted the Annual Report to the MSRB by the date required in **Section 2(a)**, the Issuer shall send a notice to the MSRB of the failure of the Issuer to file on a timely basis the Annual Report, which notice shall be given by the Issuer in accordance with this **Section 3**.

Section 4. Termination of Reporting Obligation. The Issuer’s obligations under this Continuing Disclosure Undertaking shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. If the Issuer’s obligations under this Continuing Disclosure Undertaking are assumed in full by some other entity, such person shall be responsible for compliance with this Continuing Disclosure Undertaking in the same manner as if it were the Issuer, and the Issuer shall have no further responsibility hereunder. If such termination or substitution occurs prior to the final maturity of the Bonds, the Issuer shall give notice of such termination or substitution in the same manner as for a Material Event under **Section 3**.

Section 5. Dissemination Agents. The Issuer may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Continuing Disclosure Undertaking, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. Any Dissemination Agent may resign as dissemination agent hereunder at any time upon 30 days prior written notice to the Issuer. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report (including without limitation the Annual Report) prepared by the Issuer pursuant to this Continuing Disclosure Undertaking.

Section 6. Amendment; Waiver. Notwithstanding any other provision of this Continuing Disclosure Undertaking, the Issuer may amend this Continuing Disclosure Undertaking and any provision of this Continuing Disclosure Undertaking may be waived, provided that Bond Counsel or other counsel experienced in federal securities law matters provides the Issuer with its written opinion that the undertaking of the Issuer contained herein, as so amended or after giving effect to such waiver, is in compliance with the Rule and all current amendments thereto and interpretations thereof that are applicable to this Continuing Disclosure Undertaking.

In the event of any amendment or waiver of a provision of this Continuing Disclosure Undertaking, the Issuer shall describe such amendment or waiver in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (1) notice of such change shall be given in the same manner as for a Material Event under **Section 3**, and (2) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 7. Additional Information. Nothing in this Continuing Disclosure Undertaking shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Continuing Disclosure Undertaking or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Material Event, in addition to that required by this Continuing Disclosure Undertaking. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Material Event, in addition to that specifically required by this Continuing Disclosure Undertaking, the Issuer shall have no obligation under this Continuing Disclosure Undertaking to update such information or include it in any future Annual Report or notice of occurrence of a Material Event.

Section 8. Default. If the Issuer fails to comply with any provision of this Continuing Disclosure Undertaking, any Participating Underwriter or any Beneficial Owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Issuer to comply with its obligations under this Continuing Disclosure Undertaking. A default under this Continuing Disclosure Undertaking shall not be deemed an event of default under the Bond Resolution or the Bonds, and the sole remedy under this Continuing Disclosure Undertaking in the event of any failure of the Issuer to comply with this Continuing Disclosure Undertaking shall be an action to compel performance.

Section 9. Beneficiaries. This Continuing Disclosure Undertaking shall inure solely to the benefit of the Issuer, the Participating Underwriter, and the Beneficial Owners from time to time of the Bonds, and shall create no rights in any other person or entity.

Section 10. Severability. If any provision in this Continuing Disclosure Undertaking, the Bond Resolution or the Bonds shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 11. Electronic Transactions. The arrangement described herein may be conducted and related documents may be sent, received, or stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

Section 12. Governing Law. This Continuing Disclosure Undertaking shall be governed by and construed in accordance with the laws of the State of Kansas.

[BALANCE OF THIS PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the Issuer has caused this Continuing Disclosure Undertaking to be executed as of the day and year first above written.

Any Qualified User or Non-Qualified User using all or any portion of the Financed Improvements under this type of arrangement may have a right of first refusal to renew the agreement at rates generally in effect at the time of the renewal.

(c) Agreements with Qualified Users or Non-Qualified Users to use all or a portion of the Financed Improvements for a period up to 100 days in length pursuant to arrangements whereby (1) the use of the property by the person would be general public use but for the fact that generally applicable and uniformly applied rates are not reasonably available to natural persons not engaged in a trade or business, (2) the compensation for the use under the arrangement is determined based on applicable, fair market value rates that are in effect at the time the agreement is entered into or renewed, and (3) the Financed Improvements was not constructed for a principal purpose of providing the property for use by that Qualified User or Non-Qualified User. Any Qualified User or Non-Qualified User using all or any

portion of the Financed Improvements under this type of arrangement may have a right of first refusal to renew the agreement at rates generally in effect at the time of the renewal.

(d) Agreements with Qualified Users or Non-Qualified Users to use all or a portion of the Financed Improvements for a period up to 50 days in length pursuant to a negotiated arm's-length arrangement at fair market value so long as the Financed Improvements was not constructed for a principal purpose of providing the property for use by that person.

Article II

GENERAL REPRESENTATIONS AND COVENANTS

Section 2.01 **Representations and Covenants of the Issuer.** The Issuer represents and covenants as follows:

(a) **Organization and Authority.** The Issuer: (1) is a unified school district, duly created, organized and existing under the Constitution and laws of the State, (2) has lawful power and authority to issue the Bonds for the purposes set forth in the Bond Resolution, to enter into, execute and deliver the Bond Resolution, the Bonds, and this Tax Certificate and to carry out its obligations under this Tax Certificate and under such documents, and (3) by all necessary action has been duly authorized to execute and deliver the Bond Resolution, the Bonds, and this Tax Certificate, acting by and through its duly authorized officials.

(b) **Tax-Exempt Status of Bonds—General Covenant.** The Issuer (to the extent within its power or direction) will not use any money on deposit in any fund or account maintained in connection with the Bonds, whether or not such money was derived from the proceeds of the sale of the Bonds or from any other source, in a manner that would cause the Bonds to be “arbitrage bonds,” within the meaning of Code § 148, and will not (to the extent within its power or direction) otherwise use or permit the use of any Bond proceeds or any other funds of the Issuer, directly or indirectly, in any manner, or take or permit to be taken any other action or actions, that would cause interest on the Bonds to be included in gross income for federal income tax purposes.

(c) **Governmental Obligations—Use of Proceeds.** Throughout the Measurement Period: (1) all of the Financed Improvements have been and are expected to be owned by the Issuer or another Qualified User; (2) no portion of the Financed Improvements have been or are expected to be used in a Non-Qualified Use; and (3) the Issuer will not permit any Non-Qualified Use of the Financed Improvements without first consulting with Bond Counsel. The Issuer will monitor the usage of all portions of the Financed Improvements during the Measurement Period. If the Non-Qualified Use of the Financed Improvements exceeds 10% of the total use over the Measurement Period, then the Issuer will take “remedial action” in accordance with Regulations § 1.141-12, as specified in advice from Bond Counsel, as necessary to maintain the exclusion of the interest on the Bonds from gross income for federal income tax purposes. The Issuer understands that remedial action could include redemption or defeasance of all or a portion of the Bonds.

(d) **Governmental Obligations—Private Security or Payment.** As of the Issue Date, the Issuer expects that none of the principal and interest on the Bonds and the payment of principal of and interest on the Refunded Obligations and on all other obligations which directly or indirectly refinanced the Original Obligations has been (under the terms of the Bonds or any underlying arrangement) directly or indirectly:

(1) secured by (i) any interest in property used or to be used for a Non-Qualified Use, or (ii) any interest in payments in respect of such property; or

(2) derived from payments (whether or not such payments are made to the Issuer) in respect of property, or borrowed money, used or to be used for a Non-Qualified Use.

For purposes of the foregoing, taxes of general application, including payments in lieu of taxes, are not treated as private payments or as private security. The Issuer will not permit any private security or payment with respect to the Bonds without first consulting with Bond Counsel.

(e) ***No Private Loan.*** Not more than 5% of the Net Proceeds of the Bonds will be loaned directly or indirectly to any Non-Qualified User.

(f) ***Management Agreements.*** As of the Issue Date, the Issuer has no Management Agreements with Non-Qualified Users. During the Measurement Period, the Issuer has not and will not enter into or renew any Management Agreement with any Non-Qualified User without first consulting with Bond Counsel.

(g) ***Leases.*** As of the Issue Date, the Issuer has not entered into any leases of any portion of the Financed Improvements other than Qualified Use Agreements. During the Measurement Period, the Issuer has not and will not enter into or renew any lease or similar agreement or arrangement other than a Qualified Use Agreement without first consulting with Bond Counsel.

(h) ***Intentionally Omitted.***

(i) ***Limit on Maturity of Bonds.*** A list of the assets included in the Financed Improvements and a computation of the “average reasonably expected economic life” is attached to this Tax Certificate as ***Exhibit D***. Based on this computation, the “average maturity” of the Bonds, as computed by Bond Counsel, does not exceed 120% of the average reasonably expected economic life of the Financed Improvements. The “average reasonably expected economic life” of the Financed Improvements was determined as follows: the average economic life of the Financed Improvements as of the issue date of the Original Obligations was first multiplied by 120%, then reduced by the number of years elapsed from the issue date of the Original Obligations to the Issue Date.

(j) ***Expenditure of Bond Proceeds.***

(1) ***Reimbursement of Expenditures; Official Intent.*** The governing body of the Issuer adopted a resolution(s) declaring the intent of the Issuer to finance the Financed Improvements with tax-exempt bonds and to reimburse the Issuer for expenditures made for the Financed Improvements prior to the issuance of those bonds. No portion of the Net Proceeds of the Original Obligations were used to reimburse an expenditure paid by the Issuer more than 60 days prior to the date the respective resolution was adopted, except for Preliminary Expenditures or as otherwise described in the federal tax certificate or similar document for the Original Obligations. The Issuer evidenced each allocation of the proceeds of the Original Obligations to an expenditure in writing.

(2) ***Final Allocation of Bond Proceeds to Expenditures.*** The Improvements were placed in service on the dates listed on ***Exhibit D***. The Issuer made a final allocation of proceeds of the Original Obligations to Improvements expenditures, a copy of which is attached to this Tax Certificate as ***Exhibit D***. The Issuer will maintain the Final Allocation and accurate supporting records of all expenditures made for the Improvements, including the amount, the date paid, a description of the purpose, and the source of funds (whether Bond proceeds or other money) allocated to each Improvement expenditure, in accordance with ***Section 4.02*** of this Tax Certificate.

(3) **Compliance Account.** Except as provided in this paragraph, the Issuer may allocate Bond proceeds held in the Compliance Account to pay fees and expenses relating to compliance with federal arbitrage law and state or federal securities laws. The Issuer expects that all amounts in the Compliance Account will be allocated to expenditures within six years after the Issue Date. If any money remains in the Compliance Account on the sixth anniversary of the Issue Date, the Issuer will transfer that money to the Debt Service Account and use it to pay principal or interest on the Bonds.

(k) **Registered Bonds.** The Bond Resolution requires that all of the Bonds will be issued and held in registered form within the meaning of Code § 149(a).

(l) **Bonds Not Federally Guaranteed.** The Issuer will not take any action or permit any action to be taken which would cause any Bond to be “federally guaranteed” within the meaning of Code § 149(b).

(m) **IRS Form 8038-G.** Bond Counsel will prepare IRS Form 8038-G (Information Return for Tax-Exempt Governmental Obligations) based on the representations and covenants of the Issuer contained in this Tax Certificate or otherwise provided by the Issuer. Bond Counsel will sign the return as a paid preparer following completion and will then deliver copies to the Issuer for execution and for the Issuer’s records. The Issuer agrees to timely execute and return to Bond Counsel the execution copy of Form 8038-G for filing with the IRS. A copy of the IRS Form 8038-G as filed with the IRS with proof of filing will be included in **Exhibit A** of Tax Certificate.

(n) **Hedge Bonds.** At least 85% of the net sale proceeds (the sale proceeds of the Original Obligations less any sale proceeds invested in a reserve fund) of the Original Obligations were used to carry out the governmental purpose of the Original Obligations within 3 years after the issue date of the Original Obligations, and not more than 50% of the proceeds of the Original Obligations were invested in Investments having a substantially guaranteed Yield for 4 years or more.

(o) **Single Issue; No Other Issues.** The Bonds constitute a single “issue” under Regulations § 1.150-1(c). No other debt obligations of the Issuer: (1) are being sold within 15 days of the sale of the Bonds, (2) are being sold under the same plan of financing as the Bonds, and (3) are expected to be paid from substantially the same source of funds as the Bonds (disregarding guarantees from unrelated parties, such as bond insurance).

(p) **Interest Rate Swap.** As of the Issue Date, the Issuer has not entered into an interest rate swap agreement or any other similar arrangement designed to modify its interest rate risk with respect to the Bonds. The Issuer will not enter into any such arrangement in the future without first consulting with Bond Counsel.

(q) **Guaranteed Investment Contract.** As of the Issue Date, the Issuer does not expect to enter into a Guaranteed Investment Contract for any Gross Proceeds of the Bonds. The Issuer will be responsible for complying with **Section 4.04(d)** hereof if it decides to enter into a Guaranteed Investment Contract at a later date.

(r) **Bank Qualified Tax-Exempt Obligation.** The Issuer designates the Bonds as “qualified tax-exempt obligations” under Code § 265(b)(3), and with respect to this designation certifies as follows:

(1) The Issuer reasonably anticipates that the amount of tax-exempt obligations (other than private activity bonds that are not qualified 501(c)(3) bonds) that will be issued by or

on behalf of the Issuer (and all subordinate entities of the Issuer) during the calendar year that the Bonds are issued, including the Bonds, will not exceed \$10,000,000; and

(2) the Issuer (including all subordinate entities of the Issuer) will not issue tax-exempt obligations (other than private activity bonds that are not qualified 501(c)(3) bonds) during the calendar year that the Bonds are issued, including the Bonds, in an aggregate principal amount or aggregate issue price in excess of \$10,000,000, without first consulting with Bond Counsel that the designation of the Bonds as “qualified tax-exempt obligations” will not be adversely affected.

(s) **General Allocation and Accounting.** The portion of the Improvements financed by the Original Obligations and refinanced by the Bonds may have been financed in part with proceeds of the Original Obligations and in part with other funds of the Issuer. The portion of the Improvements financed with proceeds of the Original Obligations is referred to as the Financed Improvements. Attached as **Exhibit D** is a schedule showing the Improvements financed, in whole or in part, with proceeds of the Original Obligations. For purposes of determining Non-Qualified Use, if any, of the Financed Improvements during the Measurement Period, the Issuer will allocate Non-Qualified Use first to the portion of the applicable Improvements financed with other funds of the Issuer and second to the Financed Improvements. During the Measurement Period, the Issuer will, on an annual basis, determine the extent to which Non-Qualified Use exceeds the portion of the applicable Improvements financed with other funds of the Issuer and determine the extent to which the proceeds of the Bonds and the Financed Improvements are used in a Non-Qualified Use.

(t) **Compliance with Future Tax Requirements.** The Issuer understands that the Code and the Regulations may impose new or different restrictions and requirements on the Issuer in the future. The Issuer will comply with such future restrictions that are necessary to maintain the exclusion of the interest on the Bonds from gross income for federal income tax purposes.

Section 2.02 **Continuing Application of Representations and Covenants.** All representations, covenants and certifications contained in this Tax Certificate or in any certificate or other instrument delivered by the Issuer under this Tax Certificate, will survive the execution and delivery of such documents and the issuance of the Bonds, as representations of facts existing as of the date of execution and delivery of the instruments containing such representations. The foregoing covenants of this Section will remain in full force and effect notwithstanding the defeasance of the Bonds.

Article III

ARBITRAGE CERTIFICATIONS AND COVENANTS

Section 3.01 **General.** The purpose of this Article is to certify, under Regulations § 1.148-2(b), the Issuer’s expectations as to the sources, uses and investment of Bond proceeds and other money, in order to support the Issuer’s conclusion that the Bonds are not arbitrage bonds. The person executing this Tax Certificate on behalf of the Issuer is an officer of the Issuer responsible for issuing the Bonds.

Section 3.02 **Reasonable Expectations.** The facts, estimates and expectations set forth in this Article are based upon and in reliance upon the Issuer’s understanding of the documents and certificates that comprise the Transcript, and the representations, covenants and certifications of the parties contained therein. To the Issuer’s knowledge, the facts and estimates set forth in this Tax Certificate are accurate, and the expectations of the Issuer set forth in this Tax Certificate are reasonable. The Issuer has no

knowledge that would cause it to believe that the representations, warranties and certifications described in this Tax Certificate are unreasonable or inaccurate or may not be relied upon.

Section 3.03 Purpose of Financing. The Bonds are being issued for the purpose of providing funds to pay: (a) the costs of refunding the Refunded Obligations; and (b) Costs of Issuance. The purpose of the refunding is to achieve interest cost savings through early redemption of the Refunded Obligations, to reduce debt service requirements of the Issuer for certain years, to restructure the debt payments on the Refunded Obligations and to provide an orderly plan of finance for the Issuer.

Section 3.04 Funds and Accounts. The following funds and accounts have been established under the Bond Resolution:

- (a) Redemption Fund.
- (b) Debt Service Account.
- (c) Costs of Issuance Account.
- (d) Compliance Account.

Section 3.05 Amount and Use of Bond Proceeds.

(a) ***Amount of Bond Proceeds.*** The total proceeds to be received by the Issuer from the sale of the Bonds are as evidenced in ***Exhibit B*** attached to this Tax Certificate.

(b) ***Use of Bond Proceeds.*** The Bond proceeds are expected to be allocated to expenditures as follows:

- (1) Excess proceeds in the amount of \$4,319.69 will be deposited in the Debt Service Account and allocated to pay interest on the Bonds.
- (2) The sum of \$55,000.00 will be deposited in the Costs of Issuance Account and used to pay the Costs of Issuance of the Bonds (other than the premium on the Bond Insurance Policy).
- (3) The remaining Bond proceeds in the amount of \$7,290,078.75 will be deposited into the Redemption Fund and paid and transferred to the paying agent for the Refunded Obligations, with irrevocable instructions to apply such amount to the payment of the Refunded Obligations.

Section 3.06 No Advance Refunding. No proceeds of the Bonds will be used more than 90 days following the Issue Date to pay principal or interest on any other debt obligation.

Section 3.07 Current Refunding.

(a) ***Proceeds Used For Current Refunding.*** Proceeds of the Bonds will be used to pay principal and interest on the Refunded Obligations. All such proceeds shall be spent not later than 90 days after the Issue Date.

(b) ***Transferred Proceeds.*** There are no unspent proceeds (sale proceeds, Investment proceeds or transferred proceeds) of the Refunded Obligations. Therefore there are no transferred proceeds of the Bonds.

Section 3.08 **Completion of Financed Improvements.** The Financed Improvements have previously been completed.

Section 3.09 **Sinking Funds.** The Issuer is required to make periodic payments in amounts sufficient to pay the principal of and interest on the Bonds. Such payments will be deposited into the Debt Service Account. Except for the Debt Service Account, no sinking fund or other similar fund that is expected to be used to pay principal of or interest on the Bonds has been established or is expected to be established. The Debt Service Account is used primarily to achieve a proper matching of revenues with principal and interest payments on the Bonds within each Bond Year, and the Issuer expects that the Debt Service Account will qualify as a Bona Fide Debt Service Fund.

Section 3.10 **Reserve, Replacement and Pledged Funds.**

(a) **No Reserve Fund.** No reserve fund has been or will be established for the Bonds.

(b) **No Replacement or Pledged Funds.** None of the Bond proceeds will be used as a substitute for other funds that were intended or earmarked to pay costs of the Financed Improvements, and that instead has been or will be used to acquire higher yielding Investments. Except for the Debt Service Account, there are no other funds pledged or committed in a manner that provides a reasonable assurance that such funds would be available for payment of the principal of or interest on the Bonds if the Issuer encounters financial difficulty.

(c) **Compliance Account.** Amounts held in the Compliance Account are expected to be used to pay fees and expenses relating to compliance with federal arbitrage law and state or federal securities laws. Therefore, amounts held in the Compliance Account are not pledged or committed in a manner that provides a reasonable assurance that such funds would be available for payment of the principal of or interest on the Bonds if the Issuer encounters financial difficulty.

Section 3.11 **Purpose Investment Yield.** The proceeds of the Bonds will not be used to purchase an Investment for the purpose of carrying out the governmental purpose of the financing.

Section 3.12 **Issue Price and Bond Yield.**

(a) **Issue Price.** Based on the Purchaser's certifications in *Exhibit C*, for purpose of calculating the Yield on the Bonds the Issuer hereby elects to establish the issue prices of the Bonds maturing in the years 2021 – 2023, inclusive, and 2028 – 2030, inclusive, pursuant to Regulations § 1.148-1(f)(2)(i) (relating to the so-called “general rule”), and the issue prices of the Bonds maturing in the years 2024 – 2027, inclusive, pursuant to Regulations § 1.148-1(f)(2)(ii) (relating to the so-called “Hold-the-Offering-Price Rule”). Therefore, the aggregate issue price of the Bonds for such purpose is \$7,442,259.30, without accrued interest.

(b) **Bond Yield.** Based on the aggregate issue prices of the Bonds set forth in (a) hereof, the Yield on the Bonds is [1.3943557]%, as computed by Bond Counsel and shown on *Schedule 1* attached to this Certificate. The Issuer has not entered into an interest rate swap agreement with respect to any portion of the proceeds of the Bonds.

The Bond Insurer has issued the Bond Insurance Policy dated as of the date of issue of the Bonds, which guarantees the scheduled payment of the principal of and interest on the Bonds when due. In *Exhibit C*, the Purchaser has represented that the premium for the Bond Insurance Policy (\$27,310.86) does not exceed a reasonable, arm's-length charge for the transfer of credit risk and that the present value

of the Bond Insurance Policy premium is less than the present value of the interest expected to be saved as a result of the Bond Insurance Policy. In *Exhibit G*, the Bond Insurer has represented that the Bond Insurance Policy premium does not include any payment for any direct or indirect services other than the transfer of credit risk. The premium for the Bond Insurance Policy has been treated as a payment for a qualified guarantee under Regulations § 1.148-4(f).

Section 3.13 **Miscellaneous Arbitrage Matters.**

(a) ***No Abusive Arbitrage Device.*** The Bonds are not and will not be part of a transaction or series of transactions that has the effect of (1) enabling the Issuer to exploit the difference between tax-exempt and taxable interest rates to gain a material financial advantage, and (2) overburdening the tax-exempt bond market.

(b) ***No Over-Issuance.*** The sale proceeds of the Bonds, together with expected Investment earnings thereon and other money contributed by the Issuer, do not exceed the cost of the governmental purpose of the Bonds as described above.

Section 3.14 **Conclusion.** On the basis of the facts, estimates and circumstances set forth in this Tax Certificate, the Issuer does not expect that the Bond proceeds will be used in a manner that would cause any Bond to be an “arbitrage bond” within the meaning of Code § 148 and the Regulations.

Article IV

TAX COMPLIANCE POLICIES AND PROCEDURES

Section 4.01 **General.**

(a) ***Purpose of Article.*** The purpose of this Article is to supplement the Tax Compliance Procedure and to set out specific policies and procedures governing compliance with the federal income tax requirements that apply after the Bonds are issued. The Issuer recognizes that interest on the Bonds will remain excludable from gross income only if the Post-Issuance Tax Requirements are followed after the Issue Date. The Issuer further acknowledges that written evidence substantiating compliance with the Post-Issuance Tax Requirements must be retained in order to permit the Bonds to be refinanced with tax-exempt obligations and substantiate the position that interest on the Bonds is exempt from gross income in the event of an audit of the Bonds by the IRS.

(b) ***Written Policies and Procedures of the Issuer.*** The Issuer intends for the Tax Compliance Procedure, as supplemented by this Tax Certificate, to be its primary written policies and procedures for monitoring compliance with the Post-Issuance Tax Requirements for the Bonds and to supplement any other formal policies and procedures related to the Post-Issuance Tax Requirements that the Issuer has established or establishes in the future. The provisions of this Tax Certificate are intended to be consistent with the Tax Compliance Procedure. In the event of any inconsistency between the Tax Compliance Procedure and this Tax Certificate, the terms of this Tax Certificate will govern.

(c) ***Bond Compliance Officer.*** The Issuer, when necessary to fulfill the Post-Issuance Tax Requirements, will, through its Bond Compliance Officer, sign Form 8038-T in connection with the payment of arbitrage rebate or Yield reduction payments, participate in any federal income tax audit of the Bonds or related proceedings under a voluntary compliance agreement procedures (VCAP) or undertake a remedial action procedure pursuant to Regulations §§ 1.141-12 and 1.145-2. In each case, all costs and

expenses incurred by the Issuer shall be treated as a reasonable cost of administering the Bonds and the Issuer shall be entitled to reimbursement and recovery of its costs to the same extent as provided in the Bond Resolution or State law.

Section 4.02 **Record Keeping; Use of Bond Proceeds and Use of Financed Improvements.**

(a) **Record Keeping.** The Bond Compliance Officer will maintain the Tax-Exempt Bond File for the Bonds in accordance with the Tax Compliance Procedure. Unless otherwise specifically instructed in writing from Bond Counsel or to the extent otherwise provided in this Tax Certificate, the Bond Compliance Officer shall retain records related to the Post-Issuance Tax Requirements until 3 years following the final maturity of (1) the Bonds or (2) any obligation issued to refund the Bonds. Any records maintained electronically must comply with Section 4.01 of Revenue Procedure 97-22, which generally provides that an electronic storage system must (A) ensure an accurate and complete transfer of the hardcopy records which indexes, stores, preserves, retrieves and reproduces the electronic records, (B) include reasonable controls to ensure integrity, accuracy and reliability of the electronic storage system and to prevent unauthorized alteration or deterioration of electronic records, (C) exhibit a high degree of legibility and readability both electronically and in hardcopy, (D) provide support for other books and records of the Issuer and (5) not be subject to any agreement that would limit the ability of the IRS to access and use the electronic storage system on the Issuer's premises.

(b) **Accounting and Allocation of Bond Proceeds to Expenditures.** Proceeds of the Bonds will be used as described in **Sections 3.5 and 3.7**. The Bond Compliance Officer will maintain accounting records showing the investment and expenditure of this money as part of the Tax-Exempt Bond File. The Bond Compliance Officer has prepared written substantiation records of the allocation of proceeds the Original Obligations to the Financed Facility through requisitions from the project fund established under the indentures for the Original Obligations. This allocation is summarized on **Exhibit D** and is intended to constitute the Final Written Allocation for the Original Obligations.

(c) **Annual Compliance Checklist.** Attached as **Exhibit E** is a sample Annual Compliance Checklist for the Bonds. The Bond Compliance Officer will prepare and complete an Annual Compliance Checklist for the Financed Improvements at least annually in accordance with the Tax Compliance Procedure. In the event the Annual Compliance Checklist identifies a deficiency in compliance with the requirements of this Tax Certificate, the Bond Compliance Officer will take the actions identified in advice from Bond Counsel or the Tax Compliance Procedure to correct any deficiency.

(d) **Advice from Bond Counsel.** The Bond Compliance Officer is responsible for obtaining and delivering to the Issuer any advice received from Bond Counsel required under the provisions of this Tax Certificate or the Annual Compliance Checklist.

Section 4.03 Restrictions on Investment Yield. Except as described below, Gross Proceeds must not be invested at a Yield greater than the Yield on the Bonds:

(a) **Redemption Fund.** Proceeds of the Bonds deposited in the Redemption Fund or otherwise allocable to a current refunding and Investment earnings on those proceeds may be invested without Yield restriction for a period of 90 days after the Issue Date.

(b) **Cost of Issuance Account.** Bond proceeds deposited in the Cost of Issuance Account and Investment earnings on those proceeds may be invested without Yield restriction for a period of 13 months after the Issue Date.

(c) **Debt Service Account.** To the extent that the Debt Service Account qualifies as a Bona Fide Debt Service Fund, money in such account may be invested without Yield restriction for 13 months after the date of deposit. Earnings on such amounts may be invested without Yield restriction for 1 year after the date of receipt of such earnings.

(d) **Compliance Account.** Money other than sale proceeds or Investment proceeds of the Bonds on deposit in the Compliance Account may be invested without Yield restriction.

(e) **Minor Portion.** In addition to the amounts described above, Gross Proceeds not exceeding the Minor Portion may be invested without Yield restriction.

Section 4.04 **Procedures for Establishing Fair Market Value of Investments.**

(a) **General.** No Investment may be acquired with Gross Proceeds for an amount (including transaction costs) in excess of the fair market value of such Investment, or sold or otherwise disposed of for an amount (including transaction costs) less than the fair market value of the Investment. The fair market value of any Investment is the price a willing buyer would pay to a willing seller to acquire the Investment in a bona fide, arm's-length transaction. Fair market value will be determined in accordance with Regulations § 1.148-5.

(b) **Established Securities Market.** Except for Investments purchased for a yield-restricted defeasance escrow, if an Investment is purchased or sold in an arm's-length transaction on an established securities market (within the meaning of Code § 1273), the purchase or sale price constitutes the fair market value. Where there is no established securities market for an Investment, market value must be established using one of the paragraphs below. The fair market value of Investments purchased for a Yield-restricted defeasance escrow must be determined in a bona fide solicitation for bids that complies with Regulations § 1.148-5.

(c) **Certificates of Deposit.** The purchase price of a certificate of deposit (a "CD") is treated as its fair market value on the purchase date if (1) the CD has a fixed interest rate, a fixed payment schedule, and a substantial penalty for early withdrawal, (2) the Yield on the CD is not less than the Yield on reasonably comparable direct obligations of the United States, and (3) the Yield is not less than the highest Yield published or posted by the CD issuer to be currently available on reasonably comparable CDs offered to the public.

(d) **Guaranteed Investment Contracts.** The Issuer is applying Regulations § 1.148-5(d)(6)(iii)(A) (relating to electronic bidding of Guaranteed Investment Contracts) to the Bonds. The purchase price of a Guaranteed Investment Contract is treated as its fair market value on the purchase date if all of the following requirements are met:

(1) **Bona Fide Solicitation for Bids.** The Issuer makes a bona fide solicitation for the Guaranteed Investment Contract, using the following procedures:

(A) The bid specifications are in writing and are timely forwarded to potential providers, or are made available on an internet website or other similar electronic media that is regularly used to post bid specifications to potential bidders. A writing includes a hard copy, a fax, or an electronic e-mail copy.

(B) The bid specifications include all "material" terms of the bid. A term is material if it may directly or indirectly affect the yield or the cost of the Guaranteed Investment Contract.

(C) The bid specifications include a statement notifying potential providers that submission of a bid is a representation (i) that the potential provider did not consult with any other potential provider about its bid, (ii) that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the Issuer, or any other person (whether or not in connection with the bond issue), and (iii) that the bid is not being submitted solely as a courtesy to the Issuer, or any other person, for purposes of satisfying the requirements of the Regulations.

(D) The terms of the bid specifications are “commercially reasonable.” A term is commercially reasonable if there is a legitimate business purpose for the term other than to increase the purchase price or reduce the yield of the Guaranteed Investment Contract.

(E) The terms of the solicitation take into account the Issuer’s reasonably expected deposit and draw-down schedule for the amounts to be invested.

(F) All potential providers have an equal opportunity to bid. If the bidding process affords any opportunity for a potential provider to review other bids before providing a bid, then providers have an equal opportunity to bid only if all potential providers have an equal opportunity to review other bids. Thus, no potential provider may be given an opportunity to review other bids that is not equally given to all potential providers (that is no exclusive “last look”).

(G) At least 3 “reasonably competitive providers” are solicited for bids. A reasonably competitive provider is a provider that has an established industry reputation as a competitive provider of the type of investments being purchased.

(2) *Bids Received.* The bids received by the Issuer must meet all of the following requirements:

(A) The Issuer receives at least 3 bids from providers that were solicited as described above and that do not have a “material financial interest” in the issue. For this purpose, (i) a lead underwriter in a negotiated underwriting transaction is deemed to have a material financial interest in the issue until 15 days after the issue date of the issue, (ii) any entity acting as a financial advisor with respect to the purchase of the Guaranteed Investment Contract at the time the bid specifications are forwarded to potential providers has a material financial interest in the issue, and (iii) a provider that is a related party to a provider that has a material financial interest in the issue is deemed to have a material financial interest in the issue.

(B) At least 1 of the 3 bids received is from a reasonably competitive provider, as defined above.

(C) If the Issuer uses an agent or broker to conduct the bidding process, the agent or broker did not bid to provide the Guaranteed Investment Contract.

(3) *Winning Bid.* The winning bid is the highest yielding bona fide bid (determined net of any broker’s fees).

(4) *Fees Paid.* The obligor on the Guaranteed Investment Contract certifies the administrative costs that it pays (or expects to pay, if any) to third parties in connection with supplying the Guaranteed Investment Contract.

(5) *Records.* The Issuer retains the following records with the bond documents until 3 years after the last outstanding Bond is redeemed:

(A) A copy of the Guaranteed Investment Contract.

(B) The receipt or other record of the amount actually paid by the Issuer for the Guaranteed Investment Contract, including a record of any administrative costs paid by the Issuer, and the certification as to fees paid, described in paragraph (d)(4) above.

(C) For each bid that is submitted, the name of the person and entity submitting the bid, the time and date of the bid, and the bid results.

(D) The bid solicitation form and, if the terms of the Guaranteed Investment Contract deviated from the bid solicitation form or a submitted bid is modified, a brief statement explaining the deviation and stating the purpose for the deviation.

(e) *Other Investments.* If an Investment is not described above, the fair market value may be established through a competitive bidding process, as follows:

(1) At least 3 bids on the Investment must be received from persons with no financial interest in the Bonds (e.g., as underwriters or brokers); and

(2) the Yield on the Investment must be equal to or greater than the Yield offered under the highest bid.

Section 4.05 Rebate and Yield Restriction Requirement. All Bond proceeds are expected to either be (1) allocated to pay the outstanding principal of and interest on the Refunded Obligations on the redemption date for the Refunded Obligations (December 1, 2020), or (2) be used to pay costs of issuing the Bonds within 90 days of the Issue Date. The Issuer has not created or established, and does not expect to create or establish, any sinking fund or other similar fund (1) that is reasonably expected to be used to pay debt service on the Bonds, or (2) that may be used solely to prevent a default in the payment of the Bonds. If any Bond proceeds remain on deposit more than 90 days after the Issue Date, or if the Issuer establishes any sinking fund or similar fund expected to be used to pay debt service on the Bonds, then the Issuer will obtain advice from Bond Counsel regarding what additional procedures are necessary to document compliance with the rebate and yield restriction provisions and will comply with these procedures. If required, the Issuer will fund any yield adjustment payments required by the Code or the Regulations all pursuant to advice from Bond Counsel.

Article V

MISCELLANEOUS PROVISIONS

Section 5.01 **Term of Tax Certificate.** This Tax Certificate will be effective concurrently with the issuance and delivery of the Bonds and will continue in force and effect until the principal of, redemption premium, if any, and interest on all Bonds have been fully paid and all such Bonds are cancelled; provided that the provisions of *Article IV* of this Tax Certificate regarding payment of arbitrage rebate and all related penalties and interest will remain in effect until all such amounts are paid to the United States and the provisions in *Section 4.02* relating to record keeping shall continue in force for the period described therein for records to be retained.

Section 5.02 **Amendments.** This Tax Certificate may be amended from time to time by the Issuer without notice to or the consent of any of the Bond Owners, but only if such amendment is in writing and is accompanied by advice from Bond Counsel to the effect that, under then-existing law, assuming compliance with this Tax Certificate as so amended and the Bond Resolution, such amendment will not cause any Bond to be an arbitrage bond under Code § 148 or otherwise cause interest on any Bond to be included in gross income for federal income tax purposes. No amendment will become effective until the Issuer receives advice from Bond Counsel, addressed to the Issuer that the amendment will not adversely affect the exclusion of the interest on the Bonds from gross income for federal income tax purposes.

Section 5.03 **Advice from Bond Counsel.** The Issuer may deviate from the provisions of this Tax Certificate if furnished with advice from Bond Counsel to the effect that the proposed deviation will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes. The Issuer further agrees to comply with any further or different instructions provided in advice from Bond Counsel to the effect that the further or different instructions need to be complied with in order to maintain the validity of the Bonds or the exclusion from gross income of interest on the Bonds.

Section 5.04 **Reliance.** In delivering this Tax Certificate the Issuer is making only those certifications, representations and agreements as are specifically attributed to them in this Tax Certificate. The Issuer is not aware of any facts or circumstances which would cause it to question the accuracy of the facts, circumstances, estimates or expectations of any other party providing certifications as part of this Tax Certificate and, to the best of its knowledge, those facts, circumstances, estimates and expectations are reasonable. The Issuer understands that its certifications will be relied upon by Bond Counsel in rendering its opinion as to the validity of the Bonds and the exclusion from federal gross income of the interest on the Bonds.

Section 5.05 **Severability.** If any provision in this Tax Certificate or in the Bonds is determined to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not be affected or impaired.

Section 5.06 **Benefit of Certificate.** This Tax Certificate is binding upon the Issuer, its respective successors and assigns, and inures to the benefit of the Issuer and the owners of the Bonds. Nothing in this Tax Certificate, the Bond Resolution or the Bonds, express or implied, gives to any person, other than the Issuer, its successors and assigns, and the owners of the Bonds, any benefit or any legal or equitable right, remedy or claim under this Tax Certificate.

Section 5.07 **Default, Breach and Enforcement.** Any misrepresentation of a party contained herein or any breach of a covenant or agreement contained in this Tax Certificate may be pursued by the

Bond Owners pursuant to the terms of the Bond Resolution or any other document which references this Tax Certificate and gives remedies for a misrepresentation or breach thereof.

Section 5.08 **Governing Law.** This Tax Certificate will be governed by and construed in accordance with the laws of the State.

Section 5.09 **Electronic Transactions.** The transaction described in this Tax Certificate may be conducted, and related documents may be stored, by electronic means.

RECEIPT AND REPRESENTATION

\$6,555,000

**UNIFIED SCHOOL DISTRICT NO. 261,
SEDGWICK COUNTY, KANSAS (HAYSVILLE)
GENERAL OBLIGATION REFUNDING BONDS
SERIES 2020
DATED DECEMBER 1, 2020**

This Receipt and Representation (the “Certificate”) is being delivered by Stifel, Nicolaus & Company, Incorporated, Wichita, Kansas (the “Purchaser”) in connection with the issuance of the above-described bonds (the “Bonds”), being issued on the date of this Receipt by Unified School District No. 261, Sedgwick County, Kansas (Haysville) (the “Issuer”). Based on its records and information available to the undersigned which the undersigned believes to be correct, the Purchaser represents as follows:

1. Authorized Representative. The undersigned is the duly authorized representative of the Purchaser.

2. Receipt for Bonds. The Purchaser acknowledges receipt by the Depository Trust Company on behalf of the Purchaser on the Issue Date of the Bonds consisting of fully registered “book-entry-only” bonds in Authorized Denominations in a form acceptable to the Purchaser.

3. Issue Price.

(a) **Public Offering.** On or before the sale date of the Bonds the Purchaser offered all the Bonds to the Public in a *bona fide* initial offering at the initial public offering prices set forth on ***Schedule 1*** attached to this Certificate (the “Initial Offering Prices”). Included in ***Schedule 1-A*** is a copy of the pricing wire or similar communication used by the Purchaser in connection with the initial offering of the Bonds to the public at the Initial Offering Prices.

(b) **General Rule Maturities.** As of the date of this Certificate, for each Maturity of the Bonds listed on ***Schedule 1*** as the “General Rule Maturities,” the price or prices at which the first 10% of each such General Rule Maturity was sold to the Public is the respective price listed in ***Schedule 1***. All of the Bonds comprising the first 10% of sales for each General Rule Maturity were sold at the same price.

(c) **Hold-the-Offering Prices.** For each Maturity listed on ***Schedule 1***, the Purchaser has agreed in writing that (i) it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the “Hold-the-Offering-Price Rule”), and (ii) any selling group agreement contains the agreement of each dealer who is a member of the selling group, and any retail distribution agreement contains the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the Hold-the-Offering-Price Rule. Pursuant to such agreement, the Purchaser has not offered or sold any Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity during the Holding Period.

(d) **Defined Terms.**

(i) The term “Holding Period” means the period starting on the sale date of the Bonds and ending on the earlier of (A) the close of the fifth business day after such sale date

(October 27, 2020), or (B) the date on which the Purchaser has sold at least 10% of such Hold-the-Offering-Price Maturity to the Public at prices that are no higher than the Initial Offering Price for such Hold-the-Offering-Price Maturity.

(ii) The term “Maturity” means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(iii) The term “Public” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” is defined in U.S. Treasury Regulation § 1.150-1(b) which generally provides that the term related party means any two or more persons who have a greater than 50 percent common ownership, directly or indirectly.

(iv) The term “Underwriter” means (A) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

4. Bond Insurance.

(a) The present value of the premium paid for the Bond Insurance Policy (including the fees and expenses of the counsel to the Bond Insurer) for the Bonds is less than the present value of the interest expected to be saved as a result of the insurance. In determining such present value savings, the Yield of the Bonds (taking into account the bond insurance premium) has been used as the discount rate.

(b) The premium for the Bond Insurance Policy represents a reasonable, arm’s-length charge for the transfer of credit risk to the Bond Insurer.

5. Compliance with Bond Purchase Agreement. The Purchaser acknowledges that it has timely received in satisfactory form and manner all proceedings, certificates, opinions, letters and other documents required to be submitted to it pursuant to the Bond Purchase Agreement on the date of the delivery of and payment for the Bonds (except to the extent the Purchaser has waived or consented to modification of certain provisions thereof), and that the Issuer has in all respects complied with and satisfied all of its obligations to us which are required under the Bond Purchase Agreement to be complied with and satisfied on or before the date hereof.

6. Reliance. The representations set forth in this Certificate are limited to factual matters only. Nothing in this Certificate represents the Purchaser’s interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the certifications contained herein will be relied upon by the Issuer in executing and delivering its Federal Tax Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Gilmore & Bell, P.C., Bond Counsel, in rendering its opinion relating to the exclusion from federal gross income of the interest on the Bonds and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds.
