School Bus Tracker

The School Bus Tracking App That Keeps You Up-To-Date in Real Time

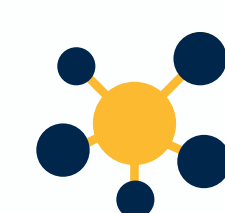

Key Features

- ✓ **Live Map View:** See your child's bus location on a map, including its current route & stop location.
- ✓ **ETA Summary:** Know when the bus will arrive — early, late, or right on time.
- ✓ **Multiple Students, One App:** Manage information for all your children through one app.
- ✓ **Custom Alerts:** Get notified about delays, cancellations, and transportation messages.
- ✓ **Direct Messaging to Transportation:** Send messages to the district's transportation team.
- ✓ **Data Protection:** Your child's personal and transportation data is protected!

Why You Need Chipmunk

Peace of Mind: Know exactly where your child's bus is and when to expect it.

Save Time: Fewer calls to the transportation office — your answers are just a few taps away.

Track Your Child's Bus Easily: Get updates and track all your buses through one app.

How to Sign Up

1. Choose Your District

When you open the app, you'll first select your school district or enter a quick code.

2. Create an Account

Easily create a new account.

3. Add Your Children

Enter the required information to link your children to your account.

4. Start Tracking Your Child's Bus

Access the Map, ETA, and Alerts tabs to get all the information you need.
