Sanitation/Cleaning

- All sanitation supplies will be provided to buildings - hand sanitizer will be available in each classroom
- Custodial staff will clean high traffic areas each night
- Staff & students will sanitize each hour

Transitions

- Develop a plan for one-way traffic in the buildings
- Passing periods will need to be considered & possibly altered
- Please use printshop for posters/signage

Reopening Decision

- 3 options:

1. All on-site
2. All remote
3. Choice

Note: No in person Open House this year... P/T Conferences will be decided at a later date

USD 261 Decision

CHOICE

Learning
Next Steps

Learning Guidelines

- On-Site choice: Must abide by state/health dept./district guidelines
- No switching classes for elementary
- Centers/Stations will be modified to prevent contamination & spread
- Electives: Provide safe learning environments for students (look at online options also)
- Special Education requirements have not changed. Services will be provided in accordance with the student's IEP.

Learning Guidelines

- Remote choice: ***OTUS***
- Option to do BOTH remote learning & attend elective classes that are offered only on-site
- Zoom vs. Meet: The district still recommends using Google Meet
- Lunches will not be held as in the past. Prepackaged lunches, disposable utensils, many trash cans purchased. Must be in smaller groups. Bldgs. will decide how to allow for duty free lunches

Continuous Learning

(spring 2020)

1. No attendance taken
2. No grades were taken at the elementary level & secondary grades were only to "help, not hurt"
3. Some standards were reviewed & there was no new learning
4. Assignment turn-in was not required
5. Weekly contact by teacher
6. Use of district-wide, grade-level choice boards (PK-8th) were available online or a packet option was available
7. Live meetings were centered around social-emotional learning, not teaching new skills
8. The Kansas Department of Education set learning time limits by age/grade level & focused on "less is more"
9. Multiple learning platforms (district website, Google Classroom, paper packets, etc.) were used

Remote Learning

(fall 2020 & future)

1. Daily attendance will be taken & expected
2. Learning will be measured & graded as it has in previous years
3. New skills & standards taught daily
4. Assignment turn-in will be required
5. Daily contact by a teacher
6. Lessons provided by classroom teachers via live streaming or recorded lessons
7. Meetings with students to provide new instruction & build relationships
8. The Kansas Department of Education will require a minimum of 6 hours of learning to be logged by parent/guardian each school day
9. Our new remote learning platform, OTUS, will be used consistently across the district

Next Steps

Next Steps

- Send out a 2nd parent survey (*coming 7/29/20*)
- Gather choice data (who is on-site, remote, etc.)
- Building principals & teams will develop plans
  - Consistency is recommended between buildings
- Communication for all stakeholders

- Professional learning for staff to prepare
  - What do staff, students, & parents need to know & be able to do to come back to school on-site? remotely?
  - Develop the details
