Re: K-12 Social Studies Resource Adoption

Date: April 16, 2018

History/Relevance: We adopted our current social studies curriculum resources during the 2009-2010 school year. This was prior to the new Kansas College and Career Ready Standards (KCCRS). We are in need of resources that are historically updated as well as to align to the KCCRS and the demands of the state assessments.

What: We are asking for approval to purchase social studies materials from the following textbook companies:

- Studies Weekly
- McGraw-Hill
- National Geographic
- Pearson
- Houghton Mifflin-Harcourt (HMH)
- W.W Norton
- Bedford, Freeman, & Worth (BFW)

Why: These resources will allow us to align with the KCCRS and give students access to updated historical information from the past decade. The addition of devices will give all students access to the robust online materials that are available from each vendor.

Where: These resources will be in all buildings to provide support to our social studies program.

When: These resources will be in our buildings beginning in the 2018-2019 school year.

How: Once the resources are approved, we will provide training for staff and time to work through the new materials.

Who: This proposal will allow us to provide teachers resources aligned to both the demands of the KCCRS and the state assessment.

How Much: There are several quotes attached along with a summary page for elementary and secondary. The elementary quote totals $130,672.50. The secondary quotes total $375,680.61. The total for devices and carts are $303,600.00. The grand total for the adoption is $809,953.11.

This is a price quotation for the customer's convenience only, and not an offer to contract. All quotations are subject to review and final acceptance by a duly authorized representative of Pearson at its offices. Pearson reserves the right to correct typographical, computational or other errors. Pearson's standard terms are net 30 days unless otherwise specified. All pricing is in US Dollars unless otherwise specified. Pricing calculations use multiple decimal places to determine the most accurate extended pricing but are represented in standard currency format.

Annual subscriptions and/or maintenance and support charges automatically renew on the anniversary date of the original purchase and will be invoiced accordingly, unless otherwise specified. If you wish to cancel, please let us know in writing prior to the date of renewal by emailing customerservice@pearson.com.

Fees for any renewals of product or support/maintenance subscriptions beyond the period covered by this pricing proposal will be at Pearson's then-current rates and, for products for which such fees are based on student count, the customer's then-current enrollment. All such renewal fees are due at the commencement of the new subscription period.

Implementation services provided by Pearson will be delivered to the customer based on established Pearson processes and billing procedures or through a Custom Scope of Work establishing milestones and/or billing schedule agreed upon by the customer. Changes, requested by the customer, to the original Scope of Work may result in additional costs. Travel related expenses associated with On-Site Training and Services are included in the listed price unless otherwise specified.

S&H charges (where applicable) are shown on the quote. S&H rates quoted are for standard ground transportation and may not reflect account contracted rates. If expedited shipping is requested, actual charges may be higher.

Pearson reserves the right to change and/or update technology platforms, including possible edition updates to customers during the term of access. Customers will be notified of any change prior to the beginning of the new school year.

Quoted prices may not reflect contract pricing for some customers. Any applicable contract pricing will be applied to the final invoice. If you require contract pricing reflected on the quote, please work with your Account Manager or contact Customer Service.

All pricing in this quotation is exclusive of any applicable sales, use or other similar taxes or duties. The customer is responsible for any such taxes or duties that may apply; if the customer is tax exempt, evidence of such tax exemption must be provided. Estimated tax may be provided solely for customer convenience. The amount indicated is only an estimate and is intended to be helpful for budgeting purposes. The actual amount of sales tax assessed at time of invoicing may be more or less.

Certain Pearson products may have minimum requirements related to licensing, services, and/or pricing that are reflected in the attached quotation. The breakdown of the fees set forth in this quotation is considered Pearson proprietary information and not subject to disclosure by the customer.

If you are not entirely satisfied with any of our products, then you may, within one year from the date of purchase, return all materials still in new, unused, salable condition for a full refund, credit, or replacement. Frequently Asked Questions

How long will it take for my books to arrive?

Orders are typically processed within 48 business hours and will take 7–10 business days to arrive as long as the books are in stock when the order is placed. Packages do take a few extra days to assemble. If you require your books sooner, please ask about expedited shipping prior to submitting your order. Due to the high volume of orders we receive in July and August, processing may take longer during these months.

Who should I contact if I have a question about my order? What if books are damaged or missing?

Email hsorders@wwnorton.com or call (800) 233-4830 ext. 221 (Roxanne) or ext. 250 (Cheri). Please provide as much information as possible when contacting us about your order:

* Ship-to school name
* Customer account number or ship-to school's zip code
* P.O. number
* Date your P.O. was submitted
* How your P.O. was submitted: email, phone, fax

How will I receive ebook orders?

This depends on whether you've ordered print books and ebooks or just print books. If you have ordered print books, the print books may have one-year ebook access cards inside the front cover. If additional years of access are purchased, access information will be sent via email. If you have ordered ebooks only, access information will be sent via email. Ask your representative if you need clarification.

How do I obtain instructor resources?

Please note that only classroom sets purchased through W. W. Norton & Company will qualify for complimentary teaching materials and access.

Print no-charge items must be included on your purchase order to ensure delivery. (These materials will be itemized on your price quote.) Print resources will be sent separately from the student book order. Email your Norton representative if you do not receive these materials within a week of receiving your student book order.

Most books have online instructor resources. Please contact your Norton representative for access to these materials once your school's order has been placed.
