Re: Schools For Fair Funding Dues

Enclosed is your invoice for FY21 member dues so that you have the choice to either pay your dues before year end, or pay them next year. We've kept the dues at $1.10 per FTE again this year as we are still in a monitoring stage at this point.

We intend to continue our role of monitoring school finance activities. This assumes a much more important role now that school finance cuts seem to be on the table for discussion. Should cuts become inevitable, we will attempt to get a plan in place to restore the cuts once funding becomes available, rather than another round of tax cuts as we saw during the Brownback years after the Great Recession. The Supreme Court's continuing jurisdiction should help tremendously with this.

Our goal is, and should continue to be, to hold the legislature and the governor to the promises made to the Court and to Kansas kids, which includes increased special education funding and the $4846 base by FY23. It is possible, maybe even probable, that we will see cuts before we get there. We view staying engaged in this process as essential to the continued funding of Kansas schools.

As you have questions, please give me or Bill Brady a call. We're always happy to hear your thoughts and concerns. Similarly, as you have contact with your legislators, please let us know.
