RE: Reduction of 2016-2017 School Year by One Week

**History / Relevance:** The current bond project schedule has us working on nine extensive projects this coming summer. This is very similar to last summer the difference being time. We are currently scheduled to have fewer weeks this summer to complete more work. In order to have the best chance of completing the required work prior to the start of the 2017-2018 school year we are asking to increase the summer time.

**What:** We are asking to alter the current school calendar by moving the end of school up one week. (see the attached proposed Calendar)

**Why:** Constructions crews need time to complete the currently scheduled projects during the summer months.

**Where:** This request will effect only the 2016-2017 current School Calendar.

**When:** The change will be announced immediately to allow parent, students and staff time to make adjustments.

**How:** BOE approval of new calendar for the 2016-2017 School Year.

**Who:** This change will affect all schools within the district.

**How Much:** The cost for this change will be zero for the district. We are asking the BOE to convert the current scheduled work days to holidays for the classified employees who would be negatively affected financially by the change.

If you have any questions, please contact me.

Thank you for your consideration.
