Re: Purchase of New Middle Level Science Curriculum Materials

Date: June 10, 2011

During our adoption of Science materials in 2007, middle school materials were not purchased. Their current materials are from 2002. In an attempt to fill that void, we ran the adoption process with the teachers at the middle level this year. They chose the following materials and we are requesting their purchase for the 2011-2012 school year.

If you have any questions, please contact me at ttosh@usd261.com or 554-2205.

Thank you!

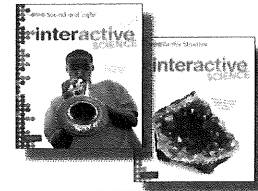

Science
