Legacy Studios photographs seniors at more than 100+ area high schools and colleges such as Harvard, Boston College, Brown University, Providence College, Howard University, The United States Military Academy – West Point and the United States Naval Academy, just to name a few.

Please review the helpful information listed below so you are prepared for your upcoming senior portrait session:

1. You will receive an email from Legacy Studios <no-reply@imagequix.com> to select a date/time to come to campus for your senior portrait session. You will receive this email about 14 days prior to the portrait sessions beginning if not sooner. If you do not schedule your portrait session for the first session on campus, NO WORRIES, you will continue to receive emails to schedule your portrait session prior to each time we have the portrait studios at our school. The DHS Main and West offices will send out updates concerning these sessions on a **rolling basis** as they become available, throughout the school year.

2. If you do not receive an email, please check your spam folder.

3. Select the portrait session that suits your availability.

4. Pay your session fee online.

5. You will receive a reminder email regarding your portrait session a few days prior to your appointment.

6. YEARBOOK POSE SELECTION: Please review and bring with you the required yearbook pose clothing (this information is also provided to you when you register online for your portrait session).

7. FOR YOUR NON-YEARBOOK PHOTOS: Please bring some items to your portrait session that reflect your personality and interests such as sports jerseys, equipment, band instrument, special clothing and have FUN with your portrait session.

8. After pictures are captured - You will review the images taken. Please make sure you see some you love AND if not, please inform your photographer and they will be happy to take additional images. You will be emailed a link with your image gallery within 8-10 business days from no-reply@imagequix.com.

9. You will be able to change/select your yearbook pose up until the yearbook pose

deadline. Viewing your senior gallery online is simple, no codes to remember. It is so much fun to work with all of the green screen replacement background options.

10. **If you need help or have any questions, please contact Legacy Studios at customercare@legacystudios.com**

If it is more convenient for you, Legacy Studios also has a studio in Cheshire, CT. Scheduling sessions at the studio begins on Saturdays in late June and ending in late December of the academic year.
