Dear Elma Primary Families,

That's a wrap on the 2025–2026 school year! It truly has been a great year, filled with so much growth, learning, and joy. We've loved watching our students learn new things, build friendships, and become more confident each day.

Parents and caregivers, thank you for sharing your children with us and for your continued support throughout the year. From helping at home to showing up for events and cheering on your children, it all makes a difference. Our partnership with you is so important, and it plays a big role in helping our students be successful. I'm already looking forward to continuing that teamwork next year.

As we head into summer, please continue to check our school website and the PTO Facebook page for updates and important information as we get closer to the start of the new school year.

Also, if you are looking for help with school backpacks and supplies, please check out the link below - Back to School at the ROC. Registration is due by August 1:

I hope you all have a safe, relaxing, and fun summer. Enjoy the time with your families. We look forward to seeing everyone back in the fall!

Mrs. Goldman
