# CHILDCARE RESOURCES

CHILDREN'S HOME SOCIETY OF CALIFORNIA

Children's Home Society of California (CHS) helps families access affordable child care and supports early childhood development through education and resource services. CHS provides child care referrals, parent education materials, and financial assistance programs for income-eligible families. Their services are designed to strengthen families and promote school readiness.

LUNCH at the LIBRARY

This institution is an equal opportunity provider. The Summer Food Service Program is a program of the United States Department of Agriculture, administered in California by the California Department of Education. Lunch at the Library is a project of the California Library Association, supported in whole or whole by the California State Library with funds from the State of California. Meals are for children and teens only and must be eaten on-site.
