

Tomah High School Newsletter

Wednesday May 5, 2026

Dr. Chai Lee

Mr. Jeff Adams

Dr. Jamie Nusbaum

From the Principal:

Dear Parents/Guardians:

A great high school is welcoming, inclusive, and safe.

Why is Tomah High School a great learning environment? Tomah High School exhibits the following academic characteristics:

- **Strong instructional teams:** Tomah High School is led by visionary leaders and educators who foster a positive environment and set clear vision for the school.
- **High Expectations:** The educators at Tomah High School provide high academic and behavioral expectations for all students, encouraging the scholars to reach their full potential.
- **Innovative Learning Practices:** Tomah High School implements innovative teaching methods and learning environments that engage the scholars and prepare them for future success.
- **Supportive Learning Community:** Tomah High School is a nurturing environment where the scholars feel connected to and supported by their peers, educators, and leaders. We create and foster a positive school culture.
- **Holistic Development:** Tomah High School focuses on the whole student. We provide a supportive atmosphere that encourages personal growth and academic excellence.

How do we exemplify these characteristics at Tomah High School?

If you visit Tomah High School, you will hear positive conversations and see positive engagement among staff and students in and out of the classrooms. You will see the displays of teaching and learning in the hallways and inside each classroom.

What will we do to achieve greater results?

1. We will continue to enhance our instructional strategies.
2. We will continue to improve relationships with each scholar and family.
3. We will organize learning better to minimize distractions.

How will we achieve these areas?

1. Providing focused Professional Development
2. Strengthening relationships with the scholars and families
3. Organizing student learning

What support do we need from our parents/guardians?

Please continue to encourage the scholars to:

- Be on time
- Engage in the classroom
- Ask questions every day

-Dr. Chai Lee

Scholars of the Month:

9th Grade:

Makenzie
Hayes

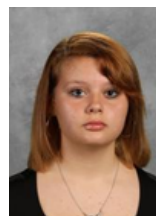

William
Mees

10th Grade:

Geo
Perez

Ava
Potts

11th Grade:
