# SAN MIGUEL HIGH SCHOOL

## Mathematics Teacher (All specializations welcome)

**Department:** Mathematics

**Employment Type:** Full-Time

**Location:** San Miguel High School - Tucson, AZ

**Position Summary:** Math faculty position in a mission-based school. Faculty responsibilities include instructional planning, relationships with students/families in a multicultural and multi-religious setting, ethical conduct, classroom management, assessment, and feedback. Description includes San Miguel profile, Lasallian principles, and position summary.

**Requirements:** Bachelor's degree required; master's preferred; Arizona teacher certificate strongly preferred; bachelor's in content area and at least 12 education credit hours; must complete state certification within first two years. Responsibilities include motivating interest in college-ready math, rigorous culturally relevant lessons, Lasallian pedagogy, adaptability, assessment, communication, and collegial integration. Resume to reynat@sanmiguelhigh.org.

**Benefits:** Regionally competitive salary with benefits including medical, dental, vision, professional development allocation, and retirement investment; faculty schedule based on qualifications and program leadership potential.

**Start Date:** 7/1/2026

**Salary:** Competitive and commensurate with experience.

**About San Miguel High School**
