At Unisus, our uniform program promotes a sense of community, school pride, and professionalism while allowing students to feel comfortable and confident in their learning environment. Our expectations are as follows:

1. Uniform #1 is mandatory for assemblies, special events, school photos, and designated field trips. It may also be worn as a daily uniform throughout the school year.
2. Uniform #2 may be worn on regular school days throughout the school year.
3. School-crested hoodies and pullovers may be worn as outer layers but do not replace required Uniform #1 attire during formal events.
4. Hooded sweatshirts must be worn with the hood down while inside school buildings.

5. Track jackets are for outdoor wear only.
6. Footwear must be clean, safe, and suitable for school activities. Indoor shoes must have non-marking soles. Excessively bright or distracting footwear designs are not permitted. Indoor shoes can be worn as gym shoes as long as the soles are non-marking.
7. Gym uniforms are required for students in Grades 4–12. Only school-approved athletic wear may be worn during PE classes, sports competitions and outdoor education activities.
8. Baseball caps and hats are not permitted.
9. Skirts and skorts must extend to at least fingertip length when standing with arms relaxed at the sides and shorts must be worn underneath all skirts that do not have shorts built in.
