

Wood Road 3rd Grade Supplies

Dear Families,

Thanks to the Junior League of Schenectady many of the essential items on our supply list have been donated for the 26-27 school year. However, the following items have not been donated. Students should come to school with the following items only:

- 2 rectangular boxes of tissues
- 1 book bag to be carried every day
- 1 pair of reliable headphones (sturdy enough to last all year!)

The following are not necessary but would be welcomed as donations.

We would greatly appreciate it!

Plastic spoons - Ziploc bags (snack, quart, gallon)

As a reminder, all other supplies are being donated. There is no need to spend your hard earned money on scissors, pencil boxes, pencil sharpeners, notebooks, etc! Our space is limited and we are fortunate to get the necessary items needed!

& Mrs. Van Volkenburg
