Scoring Wonders Assessment
Teacher: Step-by-Step Directions

Step 1: Log on to the Teacher Interface by navigating to the WONDERS teacher portal.

https://connected.mcgraw-hill.com/connected/login.do

Step 2: Enter your username and password on the *Sign In* Web form and select **[Log In]**.

Step 3: Select **[Teacher Edition].**

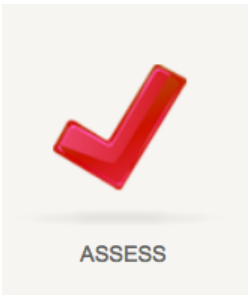

NOTE: Teacher edition should match your grade level.

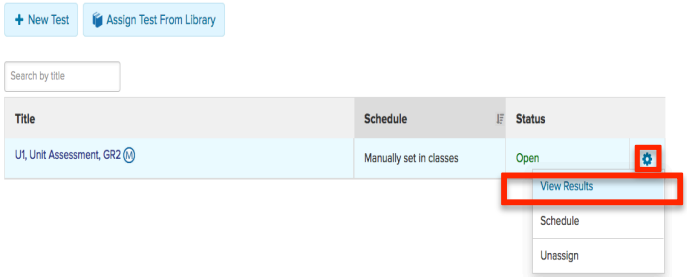

Step 4: Filter the Unit and Week 6.

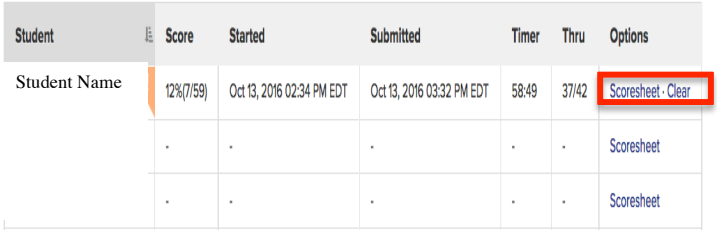

Step 5: Select the **[Assess]** button.

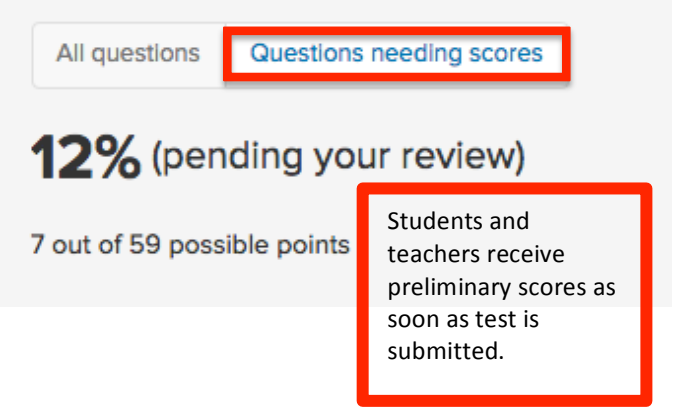

Step 6: Click the gear icon on the right hand side and select **[View Results].**

Step 7: Find students who need constructed responses scored. They will have an Ⓜ next to their name. Select **[Scoresheet]**.

Step 8: Select **[Questions needing scores]**.

Step 9: Teachers can see the question, student response, rubric, and may navigate to other students if teacher would like to score the same question for all students.

NOTE: Once teachers input a score the score is automatically saved.

Step 10: Click the **[Arrow]** to score the next student's responses.
