Facility Asset Management Study

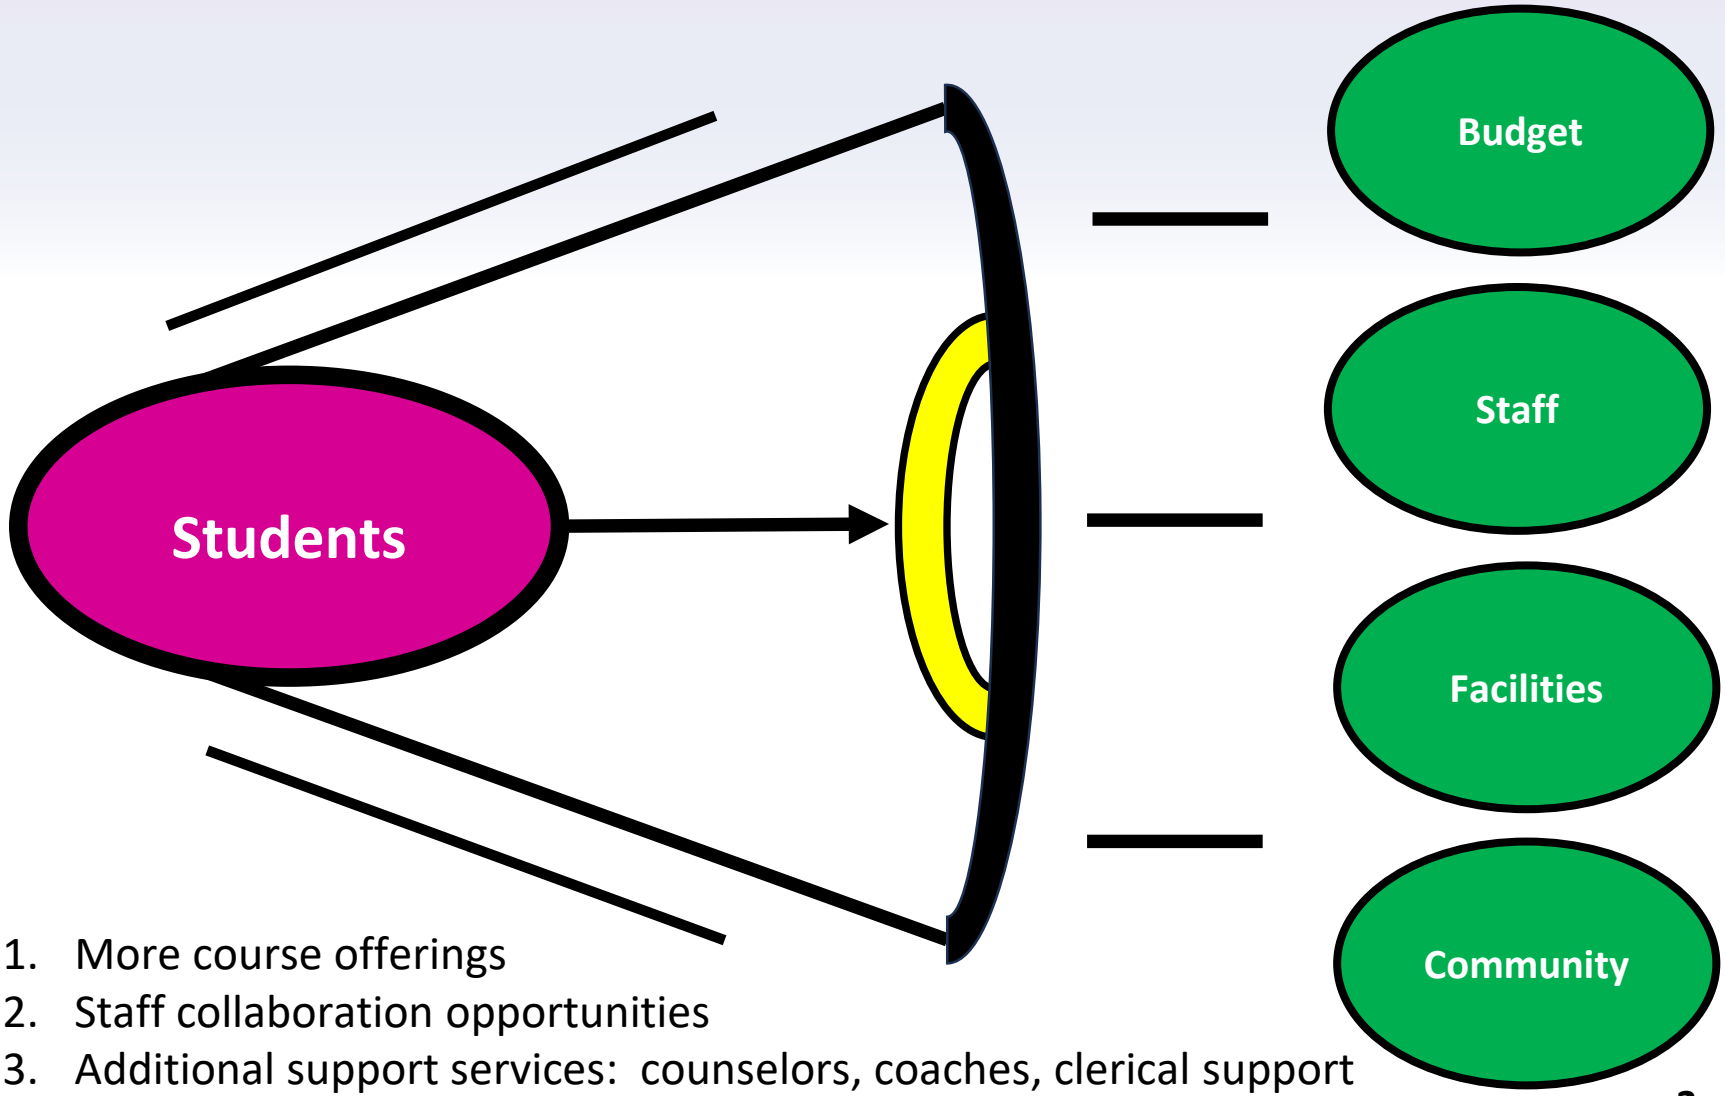

Superintendent's Advisory Council (SAC)

May 6, 2025

Agenda

1. Purpose
2. Student Centric Approach
3. Process/Timeline
4. Enrollment Data (by School and Grade)
5. Efficiencies
6. Options Discussion
7. The Road Ahead

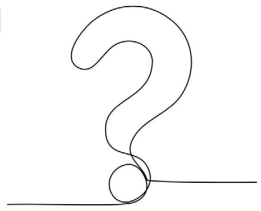

Student Centric Approach

1. More course offerings
2. Staff collaboration opportunities
3. Additional support services: counselors, coaches, clerical support

Purpose – (Why?)

1. Better educational opportunities for students
2. Declining enrollment
3. Under enrollment/excess capacity at schools – Facility implications
4. Financial - Operational costs vs. Revenue from enrollment
5. Transitional Kindergarten Implementation/Classroom consolidation

Difficult Subject

1. Perception of taking something away
2. Emotionally and passion driven responses from most stakeholders
3. Us vs. Them dynamic
4. No regard for history and tradition
5. Students and Staff not adequately served by underenrolled schools
6. Politically – radioactive/toxic
7. Financially not sustainable

Common Misinformation on School Consolidation

1. Declining enrollment is a myth.
2. Closing or consolidating schools does not save money.
3. Students and staff are negatively impacted.
4. The decision for closure and consolidation has already been made.

Common Misinformation on School Consolidation

(Continued)

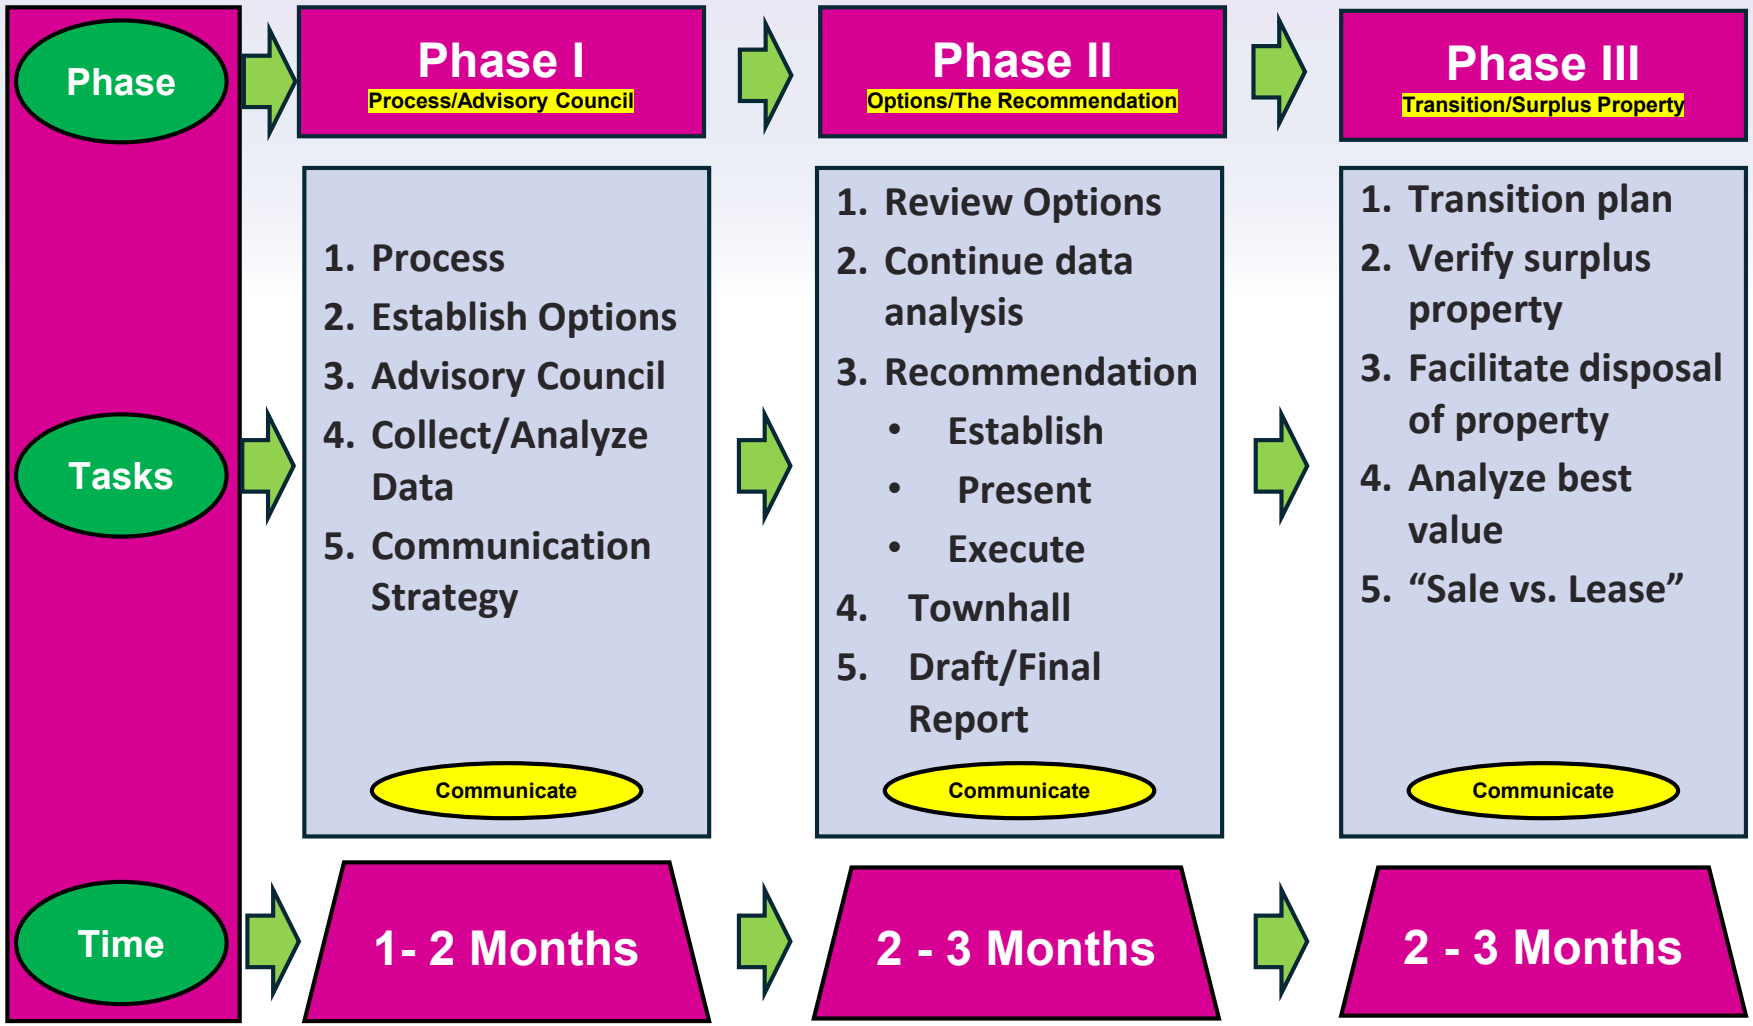

5. Why not just maintain the status quo?
6. The communication on the initiative is/was not good.
7. You are disproportionally impacting certain demographic areas of the district.
8. You are opening the door for charter schools.

Superintendent's Advisory Council

1. Develop efficiencies/solutions to mitigate the impact of Declining Student Enrollment on Lennox SD students, staff, budget, facilities, community and educational goals
2. Use a facilitated process to review issues, data, and solutions relevant to school efficiencies and sustainability
3. Serve in an advisory capacity only and present a report to the Superintendent with recommendations
4. Committee consists of approximately 20-30 members

Compliance Legislation

1. California Environmental Quality Act (CEQA)
2. Assembly Bill 1912 – Equity Impact Analysis
   - Impact on students
   - Districts in fiscal distress
3. California Attorney General Letter dated – April 2023
   - Similar to AB1912, but recommends that districts considering school closure or consolidation consider the criteria outlined in AB1912

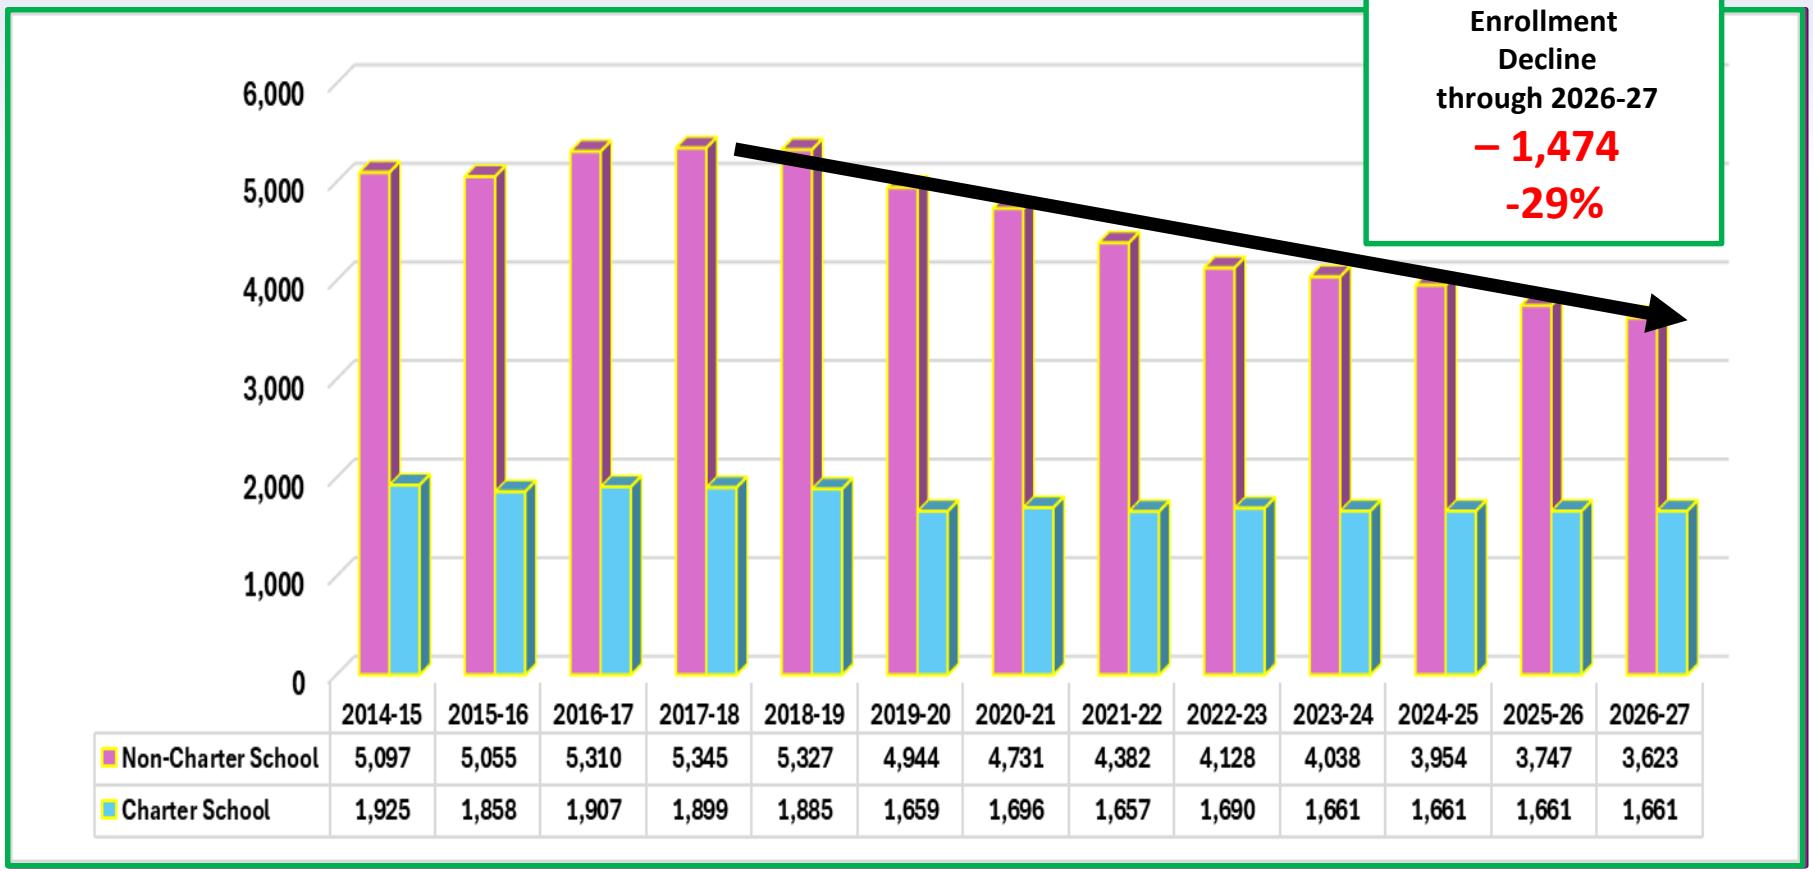

AB1912 Metrics for School Consolidation/Closure

1. The condition of a school facility;
2. The operating cost of a school and the associated savings resulting from a closure;
3. The capacity of a school to accommodate excess pupils;
4. Special programs available at the schools being considered for closure …
5. Environmental factors, including, but not limited to, traffic and proximity to freeway access;
6. Balance of pupil demographics…
7. Transportation needs of pupils;
8. Aesthetics and the opportunity for blight and negative impact on the surrounding community; and
9. Impact on feeder school attendance patterns …

Efficiencies

Cost Efficiencies

1. Cost to operate a school site with under enrollment
2. Economies of Scale
3. Potential Savings - Redundant positions

Hypothetical School (Operating Cost – Unrestricted)

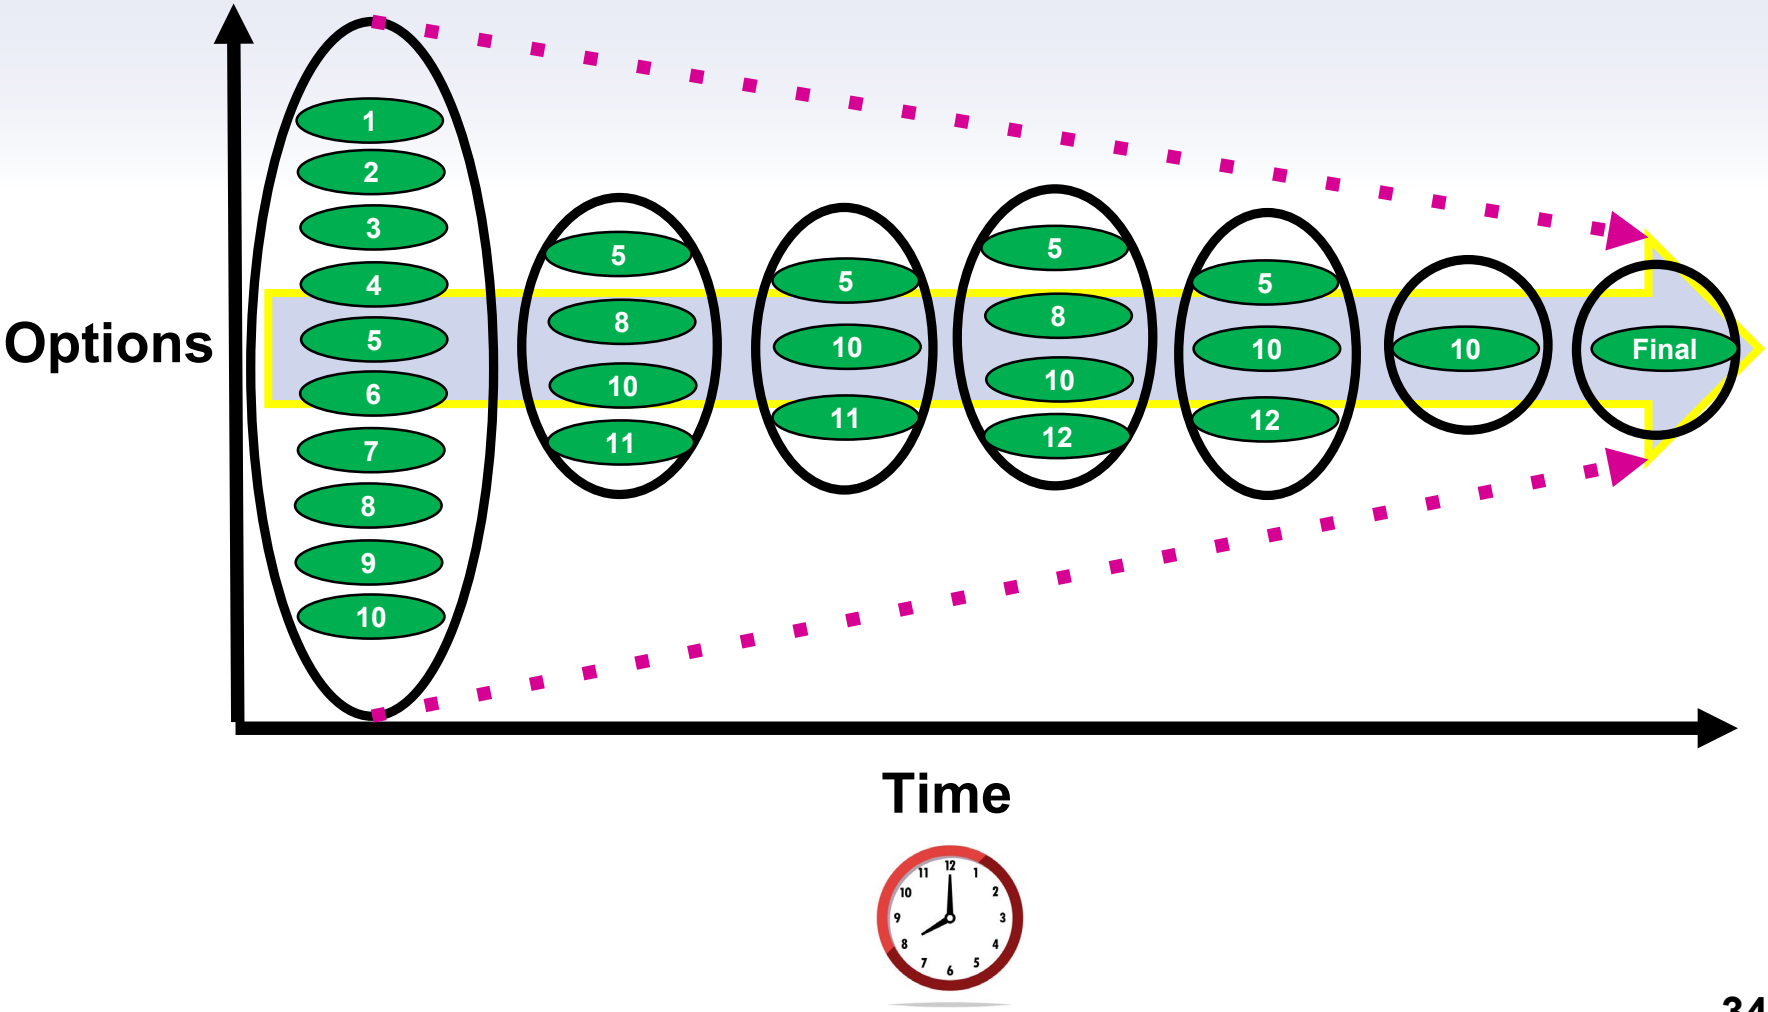

Potential Options

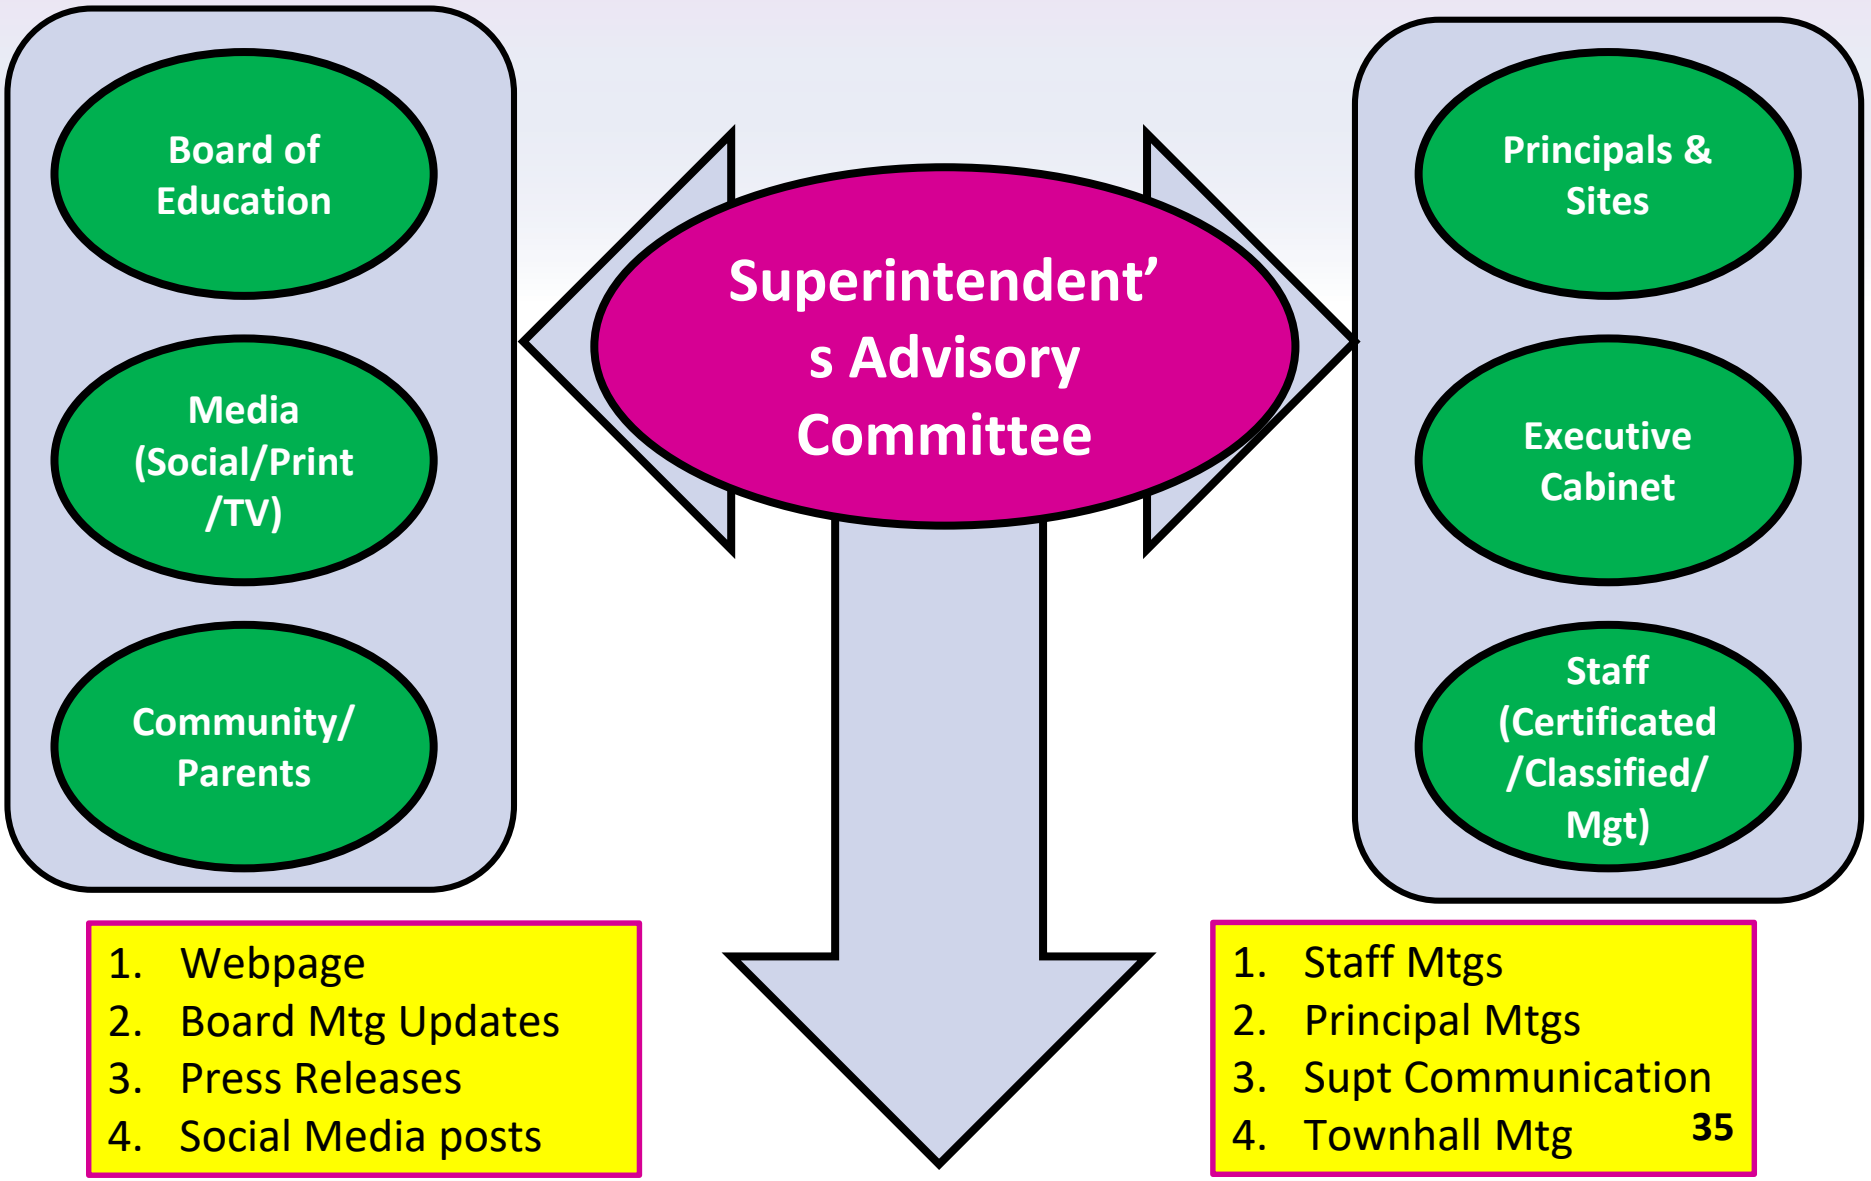

Potential Options

1. Grade Configuration Changes:
   - TK-5 to TK-6
   - 6-8 to TK-8
2. Consolidation/Closure
   - Buford to Felton
   - Felton to Buford
3. Impact on other schools?
   - Dolores Huerta
   - Jefferson
   - Moffet
