

Orange Southwest Food Service

is offering Summer Meal Pickups on Thursdays beginning June 25th through August 14th at Randolph Middle and High School Gym Entrance from noon - 1pm.

Order a weekly meal box for any child 18 years of age or younger that will include 7 breakfast meals and 7 lunches by reaching out to Tammy Maxham via email "tmaxham@orangesouthwest.org" or via phone 802-728-3397 extension 1109.

This site will be open to the public and operates on a first come, first served basis. Signing up allows us to anticipate demand and ensure there are enough meals available. These meals are for children not receiving meals at any other Summer Meals Sites. This is to prevent duplicate meal services.

Each week's breakfast meals will include items like bagels, muffins, breakfast sandwiches and more, along with fresh fruit, fruit juice and milk. The lunch meals will include sandwiches, other entree items, fresh vegetables, fresh fruit and milk.

Menus will vary each week, and we encourage families with dietary restrictions to reach out to us for accommodation of your child's needs. Menu layout instructs one breakfast and one lunch per day per child with heating/temperature holding instructions.

This program is sponsored through the USDA. This institution is an equal opportunity provider.
