

Dear Third Grader,

We have just heard the good news that you will be in our class next year! Have a good rest this summer because third grade sure is busy! We will learn to read more stories, multiply, divide, write in cursive, and much more. Read every day this summer! Also, be sure to have your addition and subtraction facts memorized.

Below is a list of supplies that will be needed for the first day of school:

- 1 sturdy pocket folder- any design or color (label SCHOOL FOLDER)
- 1 RED two pocket folder- (label REFERENCE FOLDER)
- 3 boxes of 12+ sharpened pencils (no mechanical pencils please)
- 1 pair of kid sized scissors
- 2 packs of erasers or eraser tops
- 1 pencil sharpener (that contains pencil shavings until emptied)
- 1 box of crayons (no larger than 24!)
- 1 Package of glue sticks
- 3 highlighters (preferably different colors!)
- 1 pencil box (zippered or plastic is fine!)
- 2 packs of Fine point dry erase markers (4 pack option would be best!)
- 1 set of headphones (these are a necessity for Chromebook use! Preferably over ear style, if it has an attached microphone, that's an extra perk!)

Everyone will also need paper, glue, scissors, crayons, and pencils at home for your homework and projects.

Optional List

(Items we purchase throughout the year, but feel free to contribute if you can!)

- Tissues
- Clorox wipes or Lysol wipes
- Gallon or sandwich sized ziploc bags
- Post it notes

Be sure to write your name on all of your supplies, lunchboxes, jackets, hats, and anything you bring to school- especially your work! We are looking forward to seeing you in September!

Sincerely,
Mrs. Burke & Ms. Conklin
