

June 2026

Dear Third Grade Student,

I have just heard **GREAT NEWS** that you will be in my **THIRD GRADE** class! We have such an exciting and busy school year ahead of us! We will be learning about multiplication, division, fractions, and different cultures around the world just to name a few. Make sure to rest up this summer so that you are ready to work in the fall!

Remember this summer to **READ, READ, READ!!** The more you read, the better reader you become and the more you will enjoy it.
