

Welcome to 5th Grade!

Dear 5th Grader,

Welcome to fifth grade! This coming school year, we will be team teaching. Each teacher will have their own homeroom for ELA and then students will switch between other teachers for math, science, and social studies. We are glad to have you in our classes and look forward to getting to know you in September.

There are a few things we would like you to think about this summer. The most important math skill you need for next year is to memorize your multiplication, division, subtraction, and addition facts through twelve. Practice these if you are weak in this area. If you know the facts, math problems are much easier.

To help you come prepared to school on the first day, we have included the supply list below:

1. 1 Box of sandwich size zipper Ziploc Bags
2. One **2-inch** Binder
3. 1 Zipper pencil case with three holes to put into the binder
4. Binder dividers with pockets – label Math, Science, Social Studies, Reading, Writing
5. Pack of styluses (for Chromebook use)
6. 3 Highlighters
7. Fine tip expo markers pkg of 4- black only no colors
8. A small box of crayons (24 only) or colored pencils no more than 24
9. Pencils - 2 packages **please sharpen** some at home before coming. **No PENS**
10. 1 Hand-held pencil sharpener with closed lid to catch shavings
11. Earbuds in a zip-lock bag or headphones. Please label them with your child's name.
12. 1 container of Lysol wipes please label with student's name
13. Tissues (however many boxes can be provided)
14. Student scissors

****Daily planner and Go-Home folder for assignments will be provided for students.**

For questions about supplies, please email any homeroom teacher:
