

Chemistry – Bridging Unit for 2026 intake

1. The Seneca class code needs to be changed to **qseqfy7h2c** and the invite link changed to <https://app.senecalearning.com/join-class-student-sign-up?classId=qseqfy7h2c>
2. The Seneca assignments need to be changed to...

Assignment 1

- <https://app.senecalearning.com/dashboard/class/qseqfy7h2c/assignments/assignment/fcee94b1-e540-4bf8-a5af-eb9d02f8f4ab>

Assignment 2

- <https://app.senecalearning.com/dashboard/class/qseqfy7h2c/assignments/assignment/6212e737-8796-46ef-9786-fa1f88b3c641>

3. If you are in school on results day, and enrol on the course, you will be given a “Head Start to A level Chemistry” book. If you are not in school during the summer, you can collect the book on your first day in September. If you prefer to purchase your own copy to use sooner, you are welcome to. The book is published by CGP, and the ISBN number is **1782942807**.
4. There will be an initial assessment in one of your early lessons, which will be based upon the content of this book, as well as some of the content you have been taught in the first few weeks.
5. You should then work through the questions in this book, and then mark and correct them in a different colour, using the answers provided. The deadline for completing this will be after two weeks of school, to allow time for pupils that get the book in September to complete the work. The exact date will be confirmed by your teachers, once timetables are confirmed.

Any questions, please e-mail Mr Wallis on wallis.p@khs.svmat.uk
