I have been made aware and understand the district rules and regulations governing parking and vehicle operation on Santa Fe Independent School District Property. I understand that any violation of these rules may result in suspension of driving or parking on campus privileges.

I am further aware that Texas Education Code, Section 37.102, notes that a law or ordinance regulating traffic on a public highway or street applies to the operation of a vehicle on school property. Section 37.102 of the Texas Education Code, states that the board of trustees of a school district may adopt rules for the safety and welfare of students, employees, and property and other rules it considers necessary to carry out this subchapter and the governance of the district, including rules providing for the operation and parking of vehicles on school property. The board may adopt and charge a reasonable fee for parking and for providing traffic control. A person who violates this subchapter or any rule adopted under this subchapter commits an offense. An offense under this section is a Class C misdemeanor.

I have read and understand my responsibilities concerning the safe operation and parking of the vehicle I intend to operate on Santa Fe Independent School District property.
