Shawano Community High School
Course Registration Form **2026-2027**

10th Grade

Carefully complete the steps below to be ready for online course registration. Course requests will be entered on **December 15th during Hawk Time.** **You must select at least 7 credits.** You are able to request up to 8 credits. If you request 8 credits, you will not have a study hall. If you request 7.5 credits, you will have one study hall for one semester. You will not enter a request for study hall. Study halls will automatically be scheduled when you do not have a class. Failed required classes should be taken in summer school so progress toward graduation can continue.

STEP 1 – Choose required courses. You will have at least 4 credits from this section. More if you choose more than 1/2 credit of PE.

ENGLISH * 1 credit * English 10 is required

❑ 1 English 10 – 221051/221052

See Unique Offering below for additional English credit option.

MATH * 1 credit * Your next level of math is required

❑ 1 Math II – 241031/241032 **OR**

❑ 1 Math III – 241061/241062

SCIENCE * 1 credit * Biology is required

❑ 1 Biology – 261101/261102 See below for additional options available if you want to take biology along with more science.

SOCIAL STUDIES * 1/2 credit Civics is required

❑ ½ Civics – 271253 See below for additional options available if you want to take civics along with another social studies course.

PE * 1/2 credit

❑ Choose at least one course below. You need to take 3 different PE courses over 3 different years to fulfill this requirement. You may choose more PE classes as electives.

Please talk to your counselor if you need 9th grade PE

❑ ½ Everyday Fitness – 434053

❑ ½ *Ind PE – 434163 (must be approved)*

❑ ½ Health – 411103

❑ ½ Officiating Team Sports – 438013

❑ ½ Outdoor Recreation – 435401

❑ ½ Recreational Sports – 434113

❑ ½ Water Sports – 437303

❑ ½ Sports Weight Training S1 – 435303

❑ ½ Sports Weight Training S2 – 435304

STEP 2 – Choose the rest of your courses. You should have at least 7 credits after adding the credit totals from steps 1 and 2.

AGRICULTURE

❑ ½ Small Animal Science – 311303

❑ ½ Aquaculture Production – 311903

❑ 1 Beg Horticulture – 311201/311202

❑ ½ Adv Horticulture – 311212

❑ ½ Food Science – 311613

❑ ½ Forestry – 311603

❑ ½ Leadership – 314003 ✣

❑ ½ Large Animal Science – 311813

❑ ½ Advanced Animal Science – 311013

❑ ½ Veterinary Science – 311623

❑ ½ Wildlife Conservation – 311103

❑ ½ Sustainable Agriculture - 311904

ART & THEATRE

❑ ½ Ceramics I – 212013

❑ ½ Ceramics II – 212023

❑ ½ Sculpture – 212033

❑ ½ Fiber Crafts – 214013

❑ ½ Metal & Glass Crafts – 214023

❑ ½ Mixed Media Crafts – 214033

❑ ½ Printmaking – 213003

❑ ½ Drawing I – 213201

❑ ½ Drawing II – 213202

❑ ½ Painting I – 213301

❑ ½ Painting II – 213302

❑ ½ Digital Photography – 215103

❑ 1 Yearbook – 207031/207032

❑ ½ Theatre Experience – 221604

❑ 1 Technical Theatre – 221623/221633

BUSINESS & TECHNOLOGY

❑ 1 Accounting I – 321401/321402

❑ ½ Business & Marketing Mgt. – 321333

❑ ½ Business Communication–321003 ✣

❑ ½ NWTC Windows Client– 241515 ✣♦

❑ ½ Foundations of Business – 320003

❑ ½ Entrepreneurship – 322101

❑ ½ NWTC Microsoft Assoc. –321126✣♦

❑ ½ NWTC Microsoft Expert – 321128 ♦

FAMILY & CONSUMER SCIENCES

❑ ½ Health Occupations – 352403

❑ ½ Healthy Lifestyles – 351113

❑ ½ International Foods – 352213

❑ ½ Let's Make a Meal – 355003

❑ ½ Exploring Life Skills – 352501 ✣

❑ ½ Today's Children – 351603 ♦

MUSIC

❑ ½ Small Gas Engines – 366153

WORLD LANGUAGE

❑ 1 French I – 232001/232002

❑ 1 French II – 232051/232052

❑ 1 Menominee Lang. I – 232301/232302

❑ 1 Spanish I – 231001/231002

❑ 1 Spanish II – 231051/231052

✣ Meets Life Skills requirement

♦ Possible dual credit available

STEP 3: List 3 alternative electives. Your choices listed below will replace electives due to conflicts.

1.	2.	3.

GRADUATION REQUIREMENTS

4.0 credits of **English** (Must include English 9, 10, 11, 1/2 credit of Communication Arts or UWGB Fundamentals of Public Address, and 1/2 additional credit from available options.)

3.0 credits of **Social Studies** (Must include U.S. History, Civics and a senior level social studies) Students must also pass the citizenship test which will be taken during Civics.

3.0 credits of **Math** (Students must complete three years of Common Core Math, specifically, Math I, II, and III or Math II, III, and IV.)

3.0 credits of **Science** (Must include Physical Science, Biology, and 1.0 additional credit)
The additional 1.0 credit may include one of the options below:

1. Two of the following three courses: Introduction to Astronomy (1/2 credit), Introduction to Geology (1/2 credit), Introduction to Anatomy and Physiology (1/2 credit)
2. Chemistry and then 1.0 credit of one of the following courses: AP Chemistry, Lakeland Biology, Physics, or NWTC Anatomy and Physiology
3. Chemistry and two of the three 1/2 credit options listed in option #1 instead of an upper-level science course

1 ½ credit of **Physical Education**—***over 3 years*** (only ½ credit can be Sports Weight Training)

1/2 credit of **Health**

1/2 credit of **Personal Financial Literacy**

1/2 credit of a **Life Skills** course. Students must pass one of the courses listed below sometime before graduation:

- Automotive I (offered to students in grades 10-12)
- Business Communications (offered to students in grades 9 and 10)
- Carpentry Techniques & Home Maintenance (offered to students in grades 10-12)
- Exploring Life Skills (offered to students in grades 9 and 10)
- Leadership (offered to students in grades 10-12)
- NWTC Microsoft Associate (offered to students in grades 9-12)
- NWTC Windows Client Essentials (offered to students in grades 9-12)

8.0 credits of additional **Electives**
24.0 total credits must be earned to qualify for graduation

* Students must also present their graduation portfolio.

INSTRUCTIONS FOR ENTERING COURSES ON SKYWARD ON December 15th during Hawk Time

1. Log into your Skyward account using the **browser option**
2. Click on SCHEDULE
3. Click on REQUEST COURSES FOR CURRENT YEAR IN SHAWANO HIGH SCHOOL
4. Now you can enter classes. A class search may be done by entering the course number or name. The list of classes will appear on the left side of the screen. Click the class you want and then click ADD. Classes added will appear in the right-hand box.
5. If you are signing up for a yearlong class then, sometimes, you need to add both semesters while other times the computer will automatically add both semesters. For example, Beginning Horticulture is a two-semester class, so you must add semester 1 and semester 2 by entering both numbers listed alongside the course title.
6. You need to enter at least 7.0 credits but not more than 8. You do not need to add study halls. Study halls will be added wherever there is no class scheduled. Requesting 8 credits leaves no room for study halls. Please review your class request list carefully and double check that you have entered everything.
7. Now, you need to click on ALTERNATES and add the 3 classes you entered in the boxes on the front of this page. Alternates are chosen in the event that one of your first-choice electives is not offered. Review your selections again.
8. Share your request choices with your parent/guardian.
9. Log off. Yes, it is saved!

Please read the course descriptions and prerequisites before requesting classes. The Course Description Book can be found on the Student Services section of the high school webpage under Scheduling Information.
