Specifications

Scope of Work:

The Ballston Spa Central School District seeks bids to perform preventative maintenance on Backflow Preventor Systems.

- A service report is to be submitted following the completion of each service.
- All PM site visits are to be coordinated with the maintenance department.
- Preventive Maintenance/Testing is performed one time a year
- Approval shall be required from the Maintenance Manager prior to the performance of any additional service work beyond the scope of this contract.
- Clean, Flush, Inspect and Test backflow
- Submit signed report to both the local Department of Water and Department of Health
- Emergency Services MUST be available as needed, at additional cost. Arrival response time is expected to be 1 to 2 hours from initial phone call.
