SEVERE WEATHER POLICY

Wesleyan will make its own decision regarding severe weather: to open at the regular time, to delay the start of school, or to close (regardless of the action of any other system or school). If a decision is made that changes the school day schedule, all families will be contacted using Wesleyan's emergency contact system. We will communicate any school closing by phone, text message, and email. To ensure that your family receives all updates, please check that your contact information is complete and accurate in Blackbaud. If you have changes to this information during the year, please update your information directly in Blackbaud as quickly as possible. If you do not get a message from Wesleyan, expect school to open at the regularly scheduled hour.

For a detailed calendar of all Wesleyan events, please visit the digital calendar available on the wesbite and app.
