Infinite Campus Grade Book Category Weighting

Formative: 10%

Summative 90%

Missing Work

Divich ES does not assign homework. Students complete all work in the classroom. Students who are absent will follow the policy to turn in missed work within five days of their absence Homework expectations are in accordance with Policy 6143 and Regulation 6143.

The mark "*M*" in Infinite Campus is used to document an assessment that is missing and hasn't been submitted.

a. The mark "*M*" is a score of 50 percent in the Grade Book, communicating the lowest possible grade.
b. Once the missing work is submitted, the "*M*" is replaced with a score reflecting the student's academic performance and the "*L*" late flag is added to the assignment to monitor student behavior separate from the academic grade.
c. If a student does not submit the missing work within five days and the teacher is unsuccessful in eliciting evidence of the student's learning, there is no further action from the educator, keeping the "*M*" in the Grade Book.

Each week, classroom teachers will generate a *Late* or *Flagged Assignments* report within Infinite Campus to identify students with excessive late work.

Reporting Behaviors

A. Academic grades do not include learner behaviors/habits of work (e.g., homework completion, attendance, late or missing assignments, participation, responsibility).
B. Learner behaviors/habits of work are measured using our citizenship rubric.

Reassessment Opportunities

Students may retake any assessment. Students may retake the assessment one time and the maximum score they can receive after completing the retake is 100%. Students will be permitted to retake the assessment after the classroom teacher has had an opportunity to provide reteaching and the student has had an opportunity for relearning.

The student/parent request for the retake must be made within ten school days of the original assessment date, the request must be made in writing to the classroom teacher (email, ClassDojo, or note to teacher).

Summative reassessments are limited. Summative reassessments must be completed ***no later than one to two weeks*** before the end of the term.

Communication to Students and Families

Student grades are updated on a weekly basis via Infinite Campus. Parents should regularly check student grades via the Campus Parent APP.

All communication regarding grading, latework, and reassessment will be provided via email between teacher and student. In addition parents have the following options to communicate with teachers: Class Dojo, Email, or Phone.
