# ST. MICHAEL-ALBERTVILLE SCHOOL DISTRICT CALENDAR & RESOURCE GUIDE

## TOGETHER WE BEGIN: WELCOME TO THE 2026-2027 SCHOOL YEAR!

We are excited to welcome our children, staff, families, and community members as we begin a new school year filled with inspiring opportunities and endless possibilities. It is an honor to begin this next journey together. We are deeply grateful for your partnership in nurturing the hearts and minds of our children.

We remain especially thankful to our community for your support in passing the November 2025 levy and bond referendum. Your investment reflects a shared commitment to our learners, staff, and future generations. Because of your trust and partnership, we are able to preserve strong programming, maintain quality learning environments, and continue important facility improvements that will benefit learners for years to come.

One of the highlights of my summer was seeing our learners out and about in the community. Whether at local events, parks, the library, athletic fields, or around town, it was a joy to connect with students and families outside of the school day. As a community member of 32 years, those moments continue to remind me of the caring, connected community we are fortunate to call home.

STMA has a proud tradition of excellence, and we are honored to continue that legacy with you. In partnership with our exceptional staff, supportive families, and generous community, we remain deeply committed to empowering every child to become a self-directed learner, effective communicator, and active, responsible, and respectful citizen.

This year, we reaffirm our commitment to fostering an inclusive learning environment where every student is seen, heard, valued, and celebrated. We are focused on cultivating lifelong learning skills that nurture confidence, resilience, curiosity, and a strong sense of belonging—ensuring each student is prepared to thrive both in and beyond the classroom.

Rooted in our vision is a steadfast commitment to educating the whole child—a pursuit that defines us as the pride of our community and drives excellence in academics, arts, activities, and athletics. Guided by our core values, which reflect the heart of who we are, we work collaboratively with our stakeholders to bring this vision to life.

Our strategic plan continues to guide our work and keeps us centered on our most important priority: putting students first. Developed through the voices of students, staff, families, and community members, the plan provides a clear and unified path forward. We encourage you to explore the strategic plan on our website and see how it shapes our shared work.

We are also excited to continue our alumni initiative, *Where Are They Now Wednesdays*, which celebrates the many paths our graduates take after leaving STMA. Through these weekly features, alumni share their journeys, experiences, and advice—helping inspire current students while strengthening connections across generations of Knights. If you are an STMA graduate, we invite you to scan the QR code and share your information so we can feature and reconnect with you.

Strong schools are built on strong partnerships, and we are truly grateful for yours. Community engagement is essential to our success, and we invite you to remain actively involved in shaping the future of our schools. One way to engage is by serving on one of our 20 advisory councils. To share your interest, visit the district website.

You will also notice this year's calendar features student artwork that reflects the creativity, talent, and imagination of our learners. Their work is a wonderful reminder that the arts are an essential part of a balanced, high-quality education.

Thank you for the trust, partnership, and support you continue to show our schools. We are sincerely grateful for the role you play in the success of STMA and never take it for granted. As we look ahead and remain future-forward, we do so with optimism, purpose, and excitement for all that this year will bring. Together, through strong relationships, shared commitment, and collective wisdom, we will continue creating meaningful opportunities and a bright future for our children, families, and community.
