

Hello,

My name is Carissa Perez, Trip Reduction Program (TRP) Coordinator for the Kyrene School District. Organizations with 50+ employees are required to participate in Maricopa County's TRP, which aims to reduce single-occupancy commuting and improve air quality.

We encourage you to become an Alternative Mode User (AMU) by carpooling, vanpooling, using public transit, biking, or walking.

AMU Benefits:

- Preferential carpool parking (2 spaces; registration and dash tag required)
- Guaranteed Ride Home (1 emergency ride per 6 months)
- Bicycle parking
- Rideshare resources and commute tools
- Prize drawings for participants
- Survey incentive drawings

To get started, register on the ShareTheRide portal to find carpool partners and log your trips (required for prize eligibility).

You can also contact Valley Metro Rideshare at 602-262-7433 for assistance.

Once you've arranged a rideshare, visit the Transportation office or contact me via email (cperez@kyrene.org) to receive your carpool tag.

If you have questions, please contact me or your site Transportation Coordinator (TC).

Thank you,

Carissa Perez
