Dear Reilly Families,

To be proactive in planning and preparing for the 2026-2027 school year, we are sending our school's uniform policy in advance so that you have it readily available when you go shopping for uniforms over the summer. Please note that Reilly's uniform policy differs from other schools. It is also important to note that simply because a clothing item is available at the uniform store, it does not mean that is an approved uniform item. The goal of the uniform store is to make a profit, and we have noticed that they are selling items with the gifted and talented logo which are not part of the school uniform. For example, they offer a fleece zip-up jacket with the G&T logo on it that is not an approved uniform item. Please refer to the uniform policy on the back of this letter to ensure that you are not spending money unnecessarily on items that are not approved. We thank you for your continued support!

Sincerely,

Jenny Reguinho
