Title I Parent Involvement Policy

A strong partnership between the school and home is essential if a quality education program is to be provided to all students. **The Leona School** is dedicated to the philosophy that parent involvement is integral to the success of each student. For this reason, parents are actively recruited as partners for success. The parent involvement policy is developed during Title I meetings and through correspondence with parents. The policy is included in **The Leona School** enrollment packet and all incoming parents and students are expected to review and sign the policy. In order to make the policy easy to understand it is written as simple as possible.

Throughout the school year, **The Leona School** holds multiple open houses and parent meetings to accomplish many things. These meetings introduce parents to **The Leona School** and its staff, informs them of developments or changes in our NCLB Consolidated plan, our School-wide Title I program, and also informs them of opportunities to get involved by serving on committees or volunteering their time. Finally, parent's opinions and ideas are solicited in an effort to make **The Leona School** a highly performing school of choice. Parents are welcomed to be involved in planning, reviewing and improving the Parent Involvement Policy, the School/Parent Compact, and the School-wide Plan. All parents of **The Leona School** students are welcomed and have a right to be involved in all **The Leona School** planning and programs.

The Leona School believes that one of the keys for student success is parent involvement in school. For this reason, parents are expected to attend, at a minimum, one yearly meeting in the winter that highlights and evaluates our Title I program and disseminates information regarding state testing and graduations. Additionally, parents are expected to read and sign the Parent/School compact upon their students' enrollment, and support it throughout their students' time at school. **The Leona School** takes its role in supporting parent involvement seriously. For that reason, **The Leona School** is determined to provide information in an easy to understand format, have flexible meeting times with opportunities for additional meetings if requested and provide timely information regarding scheduled meetings.

In addition to the above assurances, **The Leona School** assures that the following information will be disseminated at the annual Title I meeting:

- Information about **The Leona School** School-wide Title I program, Title I program requirements and Title I program eligibility.
- Title I funds may be used to pay reasonable and necessary expenses that enable parents to participate in school related meetings or training sessions.
- **The Leona School** will provide parents with a description and explanation of the curriculum used, the forms of academic assessment used to measure student progress and proficiency levels, and achievement levels students are expected to meet. These can be explained by teachers in a conference or by the administrators.
- If needed, **The Leona School** will provide assistance in understanding the state's academic content standards, the state achievement standards and the local assessments.
- They can monitor their child's progress and improve their achievement.
- Academic Advisors, ESL teachers, principals and special education teachers will be available where required.
