Performing Arts

Students should check directly with their performing arts teacher for any additional supplies needed

ONE-TO-ONE PROGRAM FOR MIDDLE SCHOOL

Bosque School provides a Chromebook to every incoming middle school student. The Chromebook is for use during school hours and should not be taken home. Chromebooks should be returned to the advisor's cart and plugged in for charging at the end of every day. The Chromebook will be used for the three years the student is in middle school. If the student continues to 9th grade at Bosque School, the Chromebook will be given to the student.

Bosque School will replace Chromebooks that have a manufacturing flaw or internal component failure at no charge to the family. Families are responsible for any damage to the Chromebook, regardless of how the damage occurred, and will be required to cover replacement costs.
