Virtual Meeting using Google Meet

1. Tracy Lobermier called the meeting to order at 5:35 PM
2. Roll call
 - a. Tracy Lobermier
 - b. Shannon Chapman
 - c. Megan Beauprey
 - d. Lynn Carroll
 - e. Melonie Reopelle
 - f. Star Miller
 - g. Crystal Lepscier
 - h. Nathan Hanson
 - i. Jamie Kriewaldt
3. Welcome Jamie: The PAC introduced themselves to Jamie and Jamie shared a bit about her personal and professional background. A dialogue occurred regarding her activities to date and how she is getting settled into the schools. Star shared the vision of the PAC regarding student academics infused with culture. Jamie proposed sharing out an idea document that we can add to and Jamie can research the ideas.
4. [Approve Minutes from January 13, 2021](#)
Motion: Star Miller
Second by: Crystal Lepscier
All in favor, Motion passes
5. Updates/Concerns/Questions from PAC or Others
 - a. Debate Team: the high school advertised that a debate club was being formed and they were looking for interested students. We are hoping to engage our native students to encourage critical thinking and speaking skills. Mel has heard of students who would like to participate, both native and non-native.
 - b. Title VI Pamphlet: Jamie would like to update the pamphlet and utilize it to create visibility about the Title VI staff and programming. Tracy would be willing to help update it and incorporate the new logo. Would also like to see pictures of the staff. We do have bags and phone wallets with the Title VI logo, as well. Discussion took place regarding where to store the Title VI materials (i.e. trifold display, etc). Jamie will work with the Title VI staff to locate the materials and find a place to store the items.
6. Updates/Concerns/Questions from Title VI Staff
 - a. Lynn: She is looking forward to working with Jamie. She shared her ideas on how to move forward together.
 - b. Mel: Jamie has been hanging out and getting to know the kids. American Indian College Fund Grant: Mel will share information with Shannon; Shannon will send

a draft of the information to Nathan so that this information can be shared with Title VI/506 high school families. Native Pathways to College fliers and checklist will be posted on the Title VI Facebook page. Dollars for Scholars due March 1st.

- c. ACT Prep: This opportunity is coming up. The high school principal sent out a notice regarding ACT testing dates and test practice resources. We need to post this information to build awareness and connect students/families to the opportunities.

7. [Bylaws Discussion](#)

- a. Nathan attended a Title VI training this month - a topic was bylaws. Star looked at bylaws of other organizations; how to encourage more parent participation. She did make the additions we discussed: determining who is the voting membership; voting members who do not have children in the district but bring many talents - we would like to see them involved. Other topics of discussion included: Quorum and the makeup of the PAC (parent rep, teacher rep, student rep, etc.), certification of membership, elections, etc. There is still a lot of work but it is looking better! Another thought: Should we add a Treasurer position - We have a bank account due to receiving a grant.

8. Closed session: staffing - voting members only

Motion to go into closed session: Star Miller
