

St. Paul's Lutheran School

1st - 8th Grade

Dear Prospective Short Term Family,

Thank you for your interest in St. Paul's Lutheran School. Founded in 1908, St. Paul's Lutheran School offers the best option in Orange for a quality Christian education and is the only Lutheran school in Orange County to be awarded Blue Ribbon Honors by the U.S. Department of Education. Fully accredited by both the Western Association of Schools and Colleges (WASC) and the National Lutheran Schools (NLSA), St. Paul's is staffed by experienced and committed teachers who have a proven record of academic excellence.

St. Paul's is a ministry focused on reaching out with the Gospel message of Jesus Christ. Our mission states, **"We exist to educate children, nurture their faith, and equip them to share the Gospel of Jesus Christ."** When International students attend St. Paul's, it is our privilege to share with them the Gospel message of Jesus Christ.

Our faculty is made up of highly qualified, experienced, and compassionate educators who are deeply committed to the success of every student. Many hold teaching credentials, advanced degrees, and specialized certifications, bringing both expertise and dedication to the classroom each day. Through ongoing professional development and the use of research-based instructional practices, our teachers create engaging, supportive learning environments where students are challenged, known, and equipped to reach their fullest potential.

We offer a short-term academic and social program during the school year for students visiting the United States on a visitor's visa, with sessions available in fall, winter, and spring. Short-term students are not fully enrolled but fully participate in classroom learning and school activities. At the end of their stay, students receive a certificate of completion in place of a report card. We accept short-term students in grades 1–8, pending space availability.

For the 2026-2027 academic year, there is a non-refundable registration fee of \$150, and a weekly tuition charge of \$250. Short-term programs are arranged for students who can stay 4+ weeks.

We look forward to creating a partnership in your child's education and are blessed to welcome you to the St. Paul's School Ministry!

MISSION STATEMENT:
